<http://www.scirp.org/journal/ajc>

Advances in Journalism and Communication (AJC) is an open access journal. The goal of this journal is to provide a platform for scholars and academicians in the field of journalism and communication all over the world to promote, share, and discuss various practices, developments and theories of journalism and communication.

Subject Coverage

This journal invites original research and review papers that address the following issues. Topics of interest include, but are not limited to:

- Advertisement
- Community Journalism
- Crime and Investigative Journalism
- Culture and Communication
- Current Situation of Journalism and Communication
- Digital Media and Multimedia Application
- Growing Tendency of Journalism and Communication
- History of Journalism and Communication
- History of TV Programming
- International and Comparative Communication
- Journalism Education
- Laws and Policy in Journalism and Communication
- Mass Communication
- Media and Ideology
- Media Campaign
- Media Economics
- Media Politics
- New Broadcast Media
- Photo Journalism
- Professional Ethics in Journalism and Communication
- Research Methodology in Communication
- Social Impact of New Media
- Television Broadcasting Science

We are also interested in: 1) Short reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book reviews—Comments and critiques.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
