

Special Issue on Accounting, Business and Finance

Call for Papers

Accounting is the measurement, processing and communication of financial information about economic entities. **Accounting, Business and Finance** include a range of business-related research fields, asset pricing, investments, risk management, regulation, and insurance to corporate finance, financial intermediation, financial econometrics, financial forecasting, and financial engineering.

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring **accounting, business and finance**. Potential topics include, but are not limited to:

- Auditing, taxation and corporate governance
- Human resource
- Management education & development
- International management
- Operations research
- Leadership and entrepreneurship
- Investment, investment banking
- International finance and financial markets

Authors should read over the journal's [Authors' Guidelines](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal at [Paper Submission System](#).

Please kindly specify the “**Special Issue**” under your manuscript title. The research field “**Special Issue – Accounting, Business and Finance**” should be selected during your submission.

Special Issue timetable:

Submission Deadline	December 30th, 2015
Publication Date	February 2016
