

Special Issue on
Research on Virtual Economy and Management
Call for Papers

Virtual Economy refers to the economic activities carried out by means of information technology, including network economy. Compared with the real economy, the virtual economy has a strong instability.

In this special issue, we intend to invite front-line researchers and authors to submit original researches and review articles on exploring **Research on Virtual Economy and Management**. Potential topics include, but are not limited to:

- Financial deepening
- Market economies
- Internet Finance
- Fictitious capital
- Electronic currency
- Policy and regulation of virtual economy
- The management of virtual economy

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue - Research on Virtual Economy and Management**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	December 20th, 2017
Publication Date	February 2018
