## Subject Coverage

This journal invites original research and review papers that address the following issues in operations research. Topics of interest include, but are not limited to:

### 1. Operations Research and Optimization Theory and Research Technical Approaches

Computational Intelligence and Information Management  
 Continuous Optimization  
 Decision Support Systems, Multi-Criteria Decision Methods  
 Discrete Optimization  
 Expert Systems  
 Heuristics Mathematical Programming  
 Networks  
 Queues  
 Simulation  
 Stochastic Models and Statistics  
 Time Series Analysis

### 2. Manufacturing and Service Operations Research

Forecasting  
 Inventory  
 Location  
 Logistics, Transportation Warehousing and Maintenance  
 Planning and Scheduling  
 Product and Service Design

Project Management  
 Quality Management  
 Revenue Management  
 Supply Chain Management

### 3. Interfaces with Other Disciplines

Community Operations Research  
 Complex Systems  
 Education Operations Research  
 Environmental and Energy Issues  
 Financial Engineering  
 Government Operations Research  
 Health Services Operations Research  
 Marketing Science  
 Military and Homeland Security  
 Operations Research in Nonprofit Organization  
 Policy Modeling and Public Sector OR  
 Productivity and Efficiency in the Public Sector  
 Sports Operations Research  
 Telecommunications and Networking

We are also interested in short papers (letters) that clearly address a specific problem, and short survey or position papers that sketch the results or problems on a specific topic. Authors of selected short papers would be invited to write a regular paper on the same topic for future issues of the AJOR.

## Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submissions, please access the website.
