Volume 14 Number 3

March 2023

Well-Posedness and a Finite Difference Approximation for a Mathematical Model of HPV-Induced Cervical Cancer

B. Ma, J. J. Thibodeaux.....151

Secret Sharing Scheme Based on the Differential Manifold

B. Li.....173

Existence Results for Systems of Nonlinear Caputo Fractional Differential Equations

F. Toumi.....182

A Comparative Survey of an Approximate Solution Method for Stochastic Delay Differential Equations

E. C. Emenonye, D. Anonwa.....196

Verification of the Landau Equation and Hardy's Inequality

S. Y. M. Salih.....208

The Natural Transform Decomposition Method for Solving Fractional Klein-Gordon Equation

M. Elbadri.....230
