

## Table of Contents

Volume 7    Number 4

August 2015

<b>Future Land-Use Land-Cover Scenarios for the Flint River Watershed in Northern Alabama Using the Prescott Spatial Growth Model</b>	
W. Tadesse, S. Whitaker, W. Crosson, C. Wilson.....	319
<b>A Model for Measuring Geographic Information Systems Success</b>	
K. A. Eldrandaly, S. M. Naguib, M. M. Hassan.....	328
<b>Flood Risk Map Based on GIS, and Multi Criteria Techniques (Case Study Terengganu Malaysia)</b>	
R. F. A. Elsheikh, S. Ouerghi, A. R. Elhag.....	348
<b>GIS Enabled Condition Based Asset Management of Gas Distribution Network: A Case Study of Shahdara, Lahore Pakistan</b>	
Z. U. Islam, S. R. Ahmad, K. Chohan, A. Ashraf.....	358
<b>Spatial Modeling of Residential Crowding in Alexandria Governorate, Egypt: A Geographically Weighted Regression (GWR) Technique</b>	
S. Mansour.....	369
<b>A GIS-Based Decision Support System for Reducing Air Ambulance Response Times: A Case Study on Public Schools in Jeddah City</b>	
R. Alharbi.....	384
<b>GIS Based Management System for Photovoltaic Panels</b>	
M. Luqman, S. R. Ahmad, S. Khan, F. Akmal, U. Ahmad, A. Raza, M. Nawaz, A. Javed, H. Ali.....	392
<b>A Century of Monitoring Urban Growth in Menofya Governorate, Egypt, Using Remote Sensing and Geographic Information Analysis</b>	
I. A. El-Magd, A. Hasan, A. El Sayed.....	402
<b>Social Vulnerability Assessment to Flood in Medina Gounass Dakar</b>	
O. D. Sané, A. T. Gaye, M. Diakhaté, M. Aziadekey.....	415
<b>The Combination Operator of Information Sources by a New Expressive Matrix</b>	
A. Boualem, Y. Dahmani, A. Maatoug.....	430
<b>Use of Geospatial Technology for Assessment of Waterlogging &amp; Salinity Conditions in the Nara Canal Command Area in Sindh, Pakistan</b>	
K. Aslam, S. Rashid, R. Saleem, R. M. S. Aslam.....	438

## The Use of GIS in Urban Planning in Irbid City

O. Al Kassawneh.....448
