Open Journal of Applied Sciences **(OJAppS)** is an international peer-reviewed, open-access journal publishing in English original research studies, reviews in diverse areas of applied sciences. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in applied sciences and to keep a record of the state-of-the-art research in related areas.

Subject Coverage

The journal publishes original papers including but not limited to the following fields:

Applied Behavioral Science	Applied Genetics	Applied Physics
Applied Biology	Applied Geography	Applied Physiology
Applied Chemistry	Applied Linguistics	Applied Psychology
Applied Ecology	Applied Mathematics	Applied Sociology
Applied Economics	Applied Mechanics	Artificial Intelligence
Applied Engineering	Applied Philosophy	Computing Technology

We are also interested in: 1) Short Reports—2-5 page papers where an author can either present an idea with theoretical background but has not yet completed the research needed for a complete paper or preliminary data; 2) Book Reviews—Comments and critiques.

Notes for Intending Authors

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere. Paper submission will be handled electronically through the website. All papers are refereed through a peer review process. For more details about the submission, please access the website.
