

Special Issue on Behaviors and Psychological Study

Call for Papers

Behaviors and psychological study is the study of how our behaviors relate to our mind. The researchers and scientists who study behavioral psychology are trying to understand why we behave the way we do and they are concerned with discovering patterns in our actions and behaviors.

In this special issue, we intend to invite front-line researchers and authors to submit original research and review articles on **Behaviors and Psychological Study**. Potential topics include, but are not limited to:

- Affect, behavior, and cognition
- Psychology of habit
- Behavioral change
- Positive behaviors and motivation
- Behavior therapy
- Behavioral disorders
- Organizational behavior management
- Psychology at work
- Psychology and behavioral economics
- Social behavior and psychological study
- Behavior analysis and culture

Authors should read over the journal's [For Authors](#) carefully before submission. Prospective authors should submit an electronic copy of their complete manuscript through the journal's [Paper Submission System](#).

Please kindly notice that the “**Special Issue**” under your manuscript title is supposed to be specified and the research field “**Special Issue – Behaviors and Psychological Study**” should be chosen during your submission.

According to the following timetable:

Submission Deadline	September 27th, 2021
Publication Date	November 2021
