

Stephen W. Porges, Ph.D.
Distinguished University Scientist
Kinsey Institute
Indiana University Bloomington
Bloomington, IN 27599-7160

Education:

- B.A. Drew University, June, 1966 (Psychology)
M.A. Michigan State University, December, 1968 (Psychology)
Ph.D. Michigan State University, June 1970 (Psychology)

Professional History:

- 6/24 Courtesy Professor, Department of Psychiatry, University of Florida College of Medicine in Jacksonville
- 8/15 - Distinguished University Scientist, Indiana University Bloomington.
- 4/13- Professor, Department of Psychiatry, University of North Carolina.
- 6/01 - 5/13 Professor, Department of Psychiatry, Department of Bioengineering, Graduate Program in Neuroscience, University of Illinois at Chicago
- 11/11-2/13 Principal Researcher for Behavioral Neuroscience, Research Triangle Institute International, Research Triangle Park, North Carolina
- 6/01 - 6/12 Director, Brain-Body Center, Department of Psychiatry, University of Illinois at Chicago
- 2/98 - 3/01 Chair, Department of Human Development, University of Maryland
Director, Institute for Child Study, University of Maryland
- 8/87 - 6/01 Adjunct Scientist, Laboratory of Comparative Ethology, National Institute of Child Health and Human Development
- 8/85 - 6/01 Professor, Department of Human Development, University of Maryland
Director of Laboratory for Developmental Assessment and Intervention, Institute for Child Study, University of Maryland
Professor, Program in Neural and Cognitive Sciences, University of Maryland
Department Affiliate, Department of Psychology, University of Maryland
- 8/83 - 8/85 Head, Division of Developmental Psychology, Department of Psychology, University of Illinois at Urbana-Champaign
Professor, Institute of Aviation, University of Illinois at Urbana-Champaign
Professor, Department of Medical Information Sciences, University of Illinois Medical School at Urbana-Champaign
Department Affiliate, Institute for Child Behavior and Development, University of Illinois at Urbana-Champaign
- 8/82 - 7/83 Guest Investigator, Clinical Infant Research Unit, Laboratory of Psychology and Psychopathology, National Institute of Mental Health
- 8/82 - 8/85 Professor, Department of Psychology and Program in Neural and Behavioral Biology, University of Illinois at Urbana-Champaign
- 8/81 - 8/82 Head, Program in Psychophysiology, Department of Psychology, University of Illinois at Urbana-Champaign
- 1/81 - 6/81 Visiting Scholar, Department of Physiology, Stanford University

- 12/78- 3/79 Visiting Scholar, Department of Education, University of California, Los Angeles
 9/75 - 8/82 Associate Professor, Department of Psychology and Program in Neural and Behavioral Biology, University of Illinois at Urbana-Champaign
 9/72 - 8/75 Assistant Professor, Department of Psychology, University of Illinois at Urbana-Champaign
 8/70 - 8/72 Assistant Professor, Department of Psychology, West Virginia University
 Clinical Assistant Professor, Department of Behavioral Medicine and Psychiatry, West Virginia University School of Medicine

Grant/contract support

Federal – Previous

- National Institute of Mental Health Research Grant (PI, Porges): Heart rate correlates of attentional performance (6/71-8/72).
- National Institute of Education Research Grant (PI, Porges): Psychophysiological studies of attention during infancy and early childhood (6/73-12/76).
- National Institute of Mental Health Research Scientist Development Award (PI, Porges): Developmental psychophysiology of attention (6/75-12/80).
- National Institute of Mental Health Research Grant (PI, Sprague; Co- PI, Porges): Pediatric psychopharmacology (9/75-8/79).
- National Institute of Mental Health Training Grant (Co-PI with MGH Coles and E Donchin): Research training in psychophysiology (7/77-6/81).
- National Institute of Child Health and Human Development Program Project (PI for Project VI): Psychophysiological studies of mental retardation (9/78-8/81).
- National Institute of Mental Health Research Grant (PI, Sprague; Co-PI, Porges). Pediatric psychopharmacology (1979-1981).
- National Institute of Mental Health Research Scientist Development Award (PI, Porges): Autonomic indices of nervous system dysfunction (1981-1985).
- National Institute of Child Health and Human Development Research Grant (PI, Porges): Neonatal assessment: A psychophysiological approach (6/82-6/85).
- National Institute of Mental Health Research Grant (PI, Porges): The psychophysiology of visual recognition memory (7/84-12/85).
- Maternal and Child Health Bureau, Human Resources Service Administration Research Contract (PI, Porges). (5/85-4/86).
- National Institute of Child Health and Human Development Research Grant (PI, Porges): Neonatal assessment: A psychophysiological approach (5/86-6/89).
- National Institute of Child Health and Human Development Research Grant (PI, Porges): Neonatal assessment: A psychophysiological approach (7/89- 4/93).
- Maternal and Child Health Bureau, Human Resources Service Administration Research Grant (PI, Porges): Regulatory disorders and developmental outcomes (10/92-9/98).
- National Institute of Child Health and Human Development Research Grant (PI, Porges): Neonatal assessment: A psychophysiological approach (12/93-11/99).
- National Institute of Mental Health Research Grant (PI, Porges): Social-emotional behavior: A neurobiological approach (7/01/00-05/31/07), \$1,909,355.
- National Institute of Mental Health Research Grant Title (PI, Porges): Translating behavioral neuroscience into the clinic (7/1/03-6/30/2007), \$526,062.
- National Science Foundation Next Generation Cybertools grant (PI, Bennett Bertenthal; Co- PI, Porges): Cyberinfrastructure for collaborative research in the social and behavioral sciences (10/1/2005-9/30/2007), \$2,000,000.

National Institutes of Mental Health Research Grant: Behavioral autonomic and endocrine regulation in depression and heart disease (PI, Grippo; Co-PI, Porges) (09/01/2007-08/31/2010), \$426,000.

National Center for Research Resources Facilities Enhancement Grant to remodel laboratories creating 'Research Space for Behavioral Neurobiology,' Scientific Director and grant co-author (6/04-6/08), \$6,600,000 (\$3,600,000 from NIH, \$3,000,000 University of Illinois).

National Institute of Child Health and Human Development Research Grant (PI, Porges): Infant crying and developmental outcome: A biobehavioral approach (08/01/2007-05/31/2013), \$2,517,462.

National Institutes of Health (NICHD Program Project Award): Developmental consequences of birth intervention. (PI, CS Carter; Co-PI, Porges).(2014-2019), \$4,833,965.

Government Contracts

Army W911NF 07 1 0669. Porges (PI). Dynamic digital tracking of infrared thermography: A noncontact strategy to monitor physiological reactivity. (09/08/2007-3/31/2009), \$196,622.

Department of Defense (DARPA): PhysioCam: A noncontact system to monitor physiological responses from a distance. (4/01/2014-3/31/2015). \$322,702.

Department of Defense (TSWG): Noncontact polygraphy: Bridging thermal imaging with human physiology. (04/01/2011-03/31/12), \$442,000.

Gifts and Private Foundations

Unicorn Foundation: Seed funds to develop innovative treatments for children with communication disorders (1995-1997) \$70,000.

Anonymous donors: Seed funds to develop psychophysiological and observational assessments to evaluate children diagnosed with severe regulatory disorders. (1996-2009), \$150,000.

Cure Autism Now Grant: Stimulating social communication and affective expression in autistic children: A neurophysiological approach (1/1/99-12/31/00), \$50,000.

The Rockefeller Foundation residency program at the Bellagio Conference Center in Bellagio, Italy (6/15/00-7/15/00).

Nancy Lurie Marks Family Foundation: Stimulating social communication and affective expression in adolescents and adults with autism: A neurophysiological approach (7/1/02-6/30/04), \$122,400.

Harris Foundation: Stimulating social communication behaviors in children: A biobehavioral approach (07/01/03-06/30/04), \$66,700.

The Fragile X Research Foundation: Pilot trial of lithium in Fragile X syndrome (7/1/05-6/30/07) \$30,000.

Autism Speaks. Social engagement behaviors in autism (1/07-12/07), \$50,000.

Nancy Lurie Marks Family Foundation. Stimulating social engagement behaviors in individuals with autism (07/01/05-05/30/08), \$377,188.

Charles Stark Draper Laboratory. Extracting indices of neural regulation from peripheral physiological measures. (7/1/10-6/30/12), \$200,000

NC TraCS Institute (CTSA): Psychometric evaluation of the BBC Sensory Scales for the assessment of sensory-perceptual abnormalities in individuals with Fragile X Syndrome. (01/01/2016-12/31/2016), \$50,000.

Australian Childhood Foundation. The Listening Project: Tuning into change. (07/01/2013-12/31/2016), \$150,000.

Patents

- Method and Apparatus for Evaluating Rhythmic Oscillations in Aperiodic Physiological Response Systems. Patent Number: US4,510,944. April 16, 1985.
- Method and Apparatus for Evaluating Dynamic Middle Ear Muscle Activity (with GF Lewis). Patent Publication number: US20130303941 A1. December 13, 2013.
- System and methods for measuring physiological parameters. Patent Number: US10004410B2, June 26, 2018.
- Methods and Systems for Reducing Sound Sensitivities and Improving Auditory Processing, Behavioral State Regulation and Social Engagement Behaviors. Patent Number: US 10,029,068 B2. July 24, 2018.
- Methods and Systems for Reducing Sound Sensitivities and Improving Auditory Processing, Behavioral State Regulation and Social Engagement Behaviors. Patent Number: US 10,661,046, May 26, 2020.
- Systems and Methods for Modulating Physiological State. Patent Number US 10,702,154, 2020.

Scholarships and Awards

National Institute of Mental Health Research Fellow (8/69-8/70)
National Institute of Mental Health Research Scientist Development Award (Type II: 7/75-12/80, 12/81-8/85)
Fellow, American Psychological Association (Divisions 6 and 7)
Charter Member, Emeritus, and Fellow, Association for Psychological Science
Edna Reiss – Sophie Greenberg Chair (9th annual), recognizing outstanding professionals in the field of child/adolescent mental health (2013)
Pierre Janet Plenary Address (2013)
Lifetime contribution to psychophysiology awarded by the Biofeedback Foundation of Europe (2014)
B.F. Skinner Lecture to the Association of Behavioral Analysis International (2014)
Pioneer Award, United States Association of Body Psychotherapy (2018)
Lifetime Achievement Award, The Association for Training on Trauma and Attachment in Children (ATTACH) (2021)
Highland Park High School Hall of Honor (2022)
Distinguished Scientist Award, Association for Applied Psychophysiology and Biofeedback (2023)
Distinguished Pioneer Award, The Association for Comprehensive Energy Psychology (2024)
Mental Health Hall of Fame, 4th World Congress on Psychology and Psychotherapy (2024)

Professional Societies

American Psychological Association (emeritus)
Association for Psychological Science (emeritus)
Society for Psychophysiological Research (emeritus)

Professional Service

National Institute for Child Health and Human Development
Maternal and Child Health Research Committee (1991-1995)
Chair, Maternal and Child Health Research Committee (1994-1995)

Society for Psychophysiological Research
President-Elect (1992), President (1993), Past-President (1994)
Secretary-Treasurer (1975-1978)
Board of Directors (1975-1979, 1986-1989)
Ad Hoc Education and Training Committee (1992-1994)
Ad Hoc Committee on Psychophysiology as a Discipline (1994)
Awards Committee (1992-1994)
Convention Site Chair (1980-1983)
Program Committee (1974, 1986)
Young Investigator Award Committee (1981, 1982)

Nominations Committee Chair (1996)
Representative to the Federation of Behavioral, Psychological and Cognitive Sciences
(1996-1999)

International Conference on Infant Studies

Program Chairman (1980)
Program Committee (1982, 1984, 1986, 1988, 1990, 1992, 1994, 1996, 1998, 2000)

Society for Research in Child Development

Program Committee (1981, 1983, 1985, 1987, 1989, 1991, 1993, 1995, 1997, 1999, 2001)
Representative to the Federation of Behavioral, Psychological and Cognitive Sciences
(1991-1999)

*The National Academies U.S. National Committee for the International Union of Psychological
Science (2006-2009)*

Federation of Behavioral, Psychological and Cognitive Sciences

President (1999-2002); Past President (2003)
Animal Welfare Committee (1986-1990)
Forum on Research Management (1991-1993)
Chair of Forum on Research Management (1993)
Nominations Committee (1993)
Executive Committee (1994-1997, (2005-2006)

Editorial Duties

Associate Editor:

Psychophysiology (1983-1987)

Editorial Board:

Infant Behavior and Development (1977-1992)
Child Development (1978-1980)
Developmental Psychobiology (1985-1991, 1995-1999)
Journal of Applied Developmental Psychology (1993-2014)
Developmental Review (2000-2014)

Series Co-editor:

Benchmark Papers in Behavior (1979-1983)
