We appreciate valuable comments. Our replies are as follows.

Referee #1:

Fig. 2: Please specify the targeted year.

Reply:

The target year is 2010 in BASE, and 2030 in BAU0 and PC1. The target year is added to the caption and within the figures.

C5238

Referee #1:

Figs. 3, 4, 5, 6, 7, 8, and Figs. S1, S2, S3: Please specify the year and scenario (it would be 2010 on BASE scenario).

Reply:

All the figures show simulated results in BASE for 2010. They are added to the captions.

Referee #1:

Fig. 4: Are observation date different from simulation date?

Reply:

The observation date at a few stations are different from 2010. The observation date are added within the figures.
