

Dear Dr. Hofzumahaus,

Thank you again for your careful review of our manuscript. We have made the correction and uploaded the corrected version of the manuscript.

“Thank you for submission of your revised manuscript and author response. The questions and comments of the referees are all adequately answered. Subject to one technical correction, I am pleased to accept your revised manuscript for publication in ACP. Technical correction needed: please correct the typo in the words "adjusmtment" (Fig. S2 d, e, f).”

Response: The typo has been corrected. Thank you very much!
