

Clermont-Ferrand (France), 10th of January 2022

Dear Editor,

Please find our manuscript “Free amino acids quantification in cloud water at the puy de Dôme station (France)” by Pascal Renard, Maxence Brissy, Florent Rossi, Martin Lereboure, Saly Jaber, Jean-Luc Baray, Angelica Bianco, Anne-Marie Delort and Laurent Deguillaume.

After discussion with the editorial support of ACP, we send you the final version of the manuscript that need English correction (as suggested by reviewer 1) by your copy-editing service.

Yours Sincerely,

Dr. A.-M. Delort
ICCF
