

## Statement of Compliance with Regulation (EU) 2023/988 on General Product Safety

To Whom It May Concern,

**Sage Appliances GmbH** confirms that all our products fully comply with the requirements set forth in Regulation (EU) 2023/988 on General Product Safety.

As outlined in Regulation (EU) 2023/988, all products placed on or made available in the market must meet safety standards, regardless of whether they are subject to other specific Union legislation.

The following information details our compliance with this regulation:

- **Safety Compliance:** Declaration of Conformity listing the mandatory requirements for CE directives or Safety Data Sheets, where applicable.
- **Product and Packaging Labelling:** Product and/or packaging labels include manufacturer details, safety markings, and warning symbols where applicable.
- **User Manuals:** Manuals include product identification, a general description of the product and its essential characteristics, safety warnings, manufacturer/responsible person information, and registered trademarks.

Sage Appliances GmbH is committed to ensuring the safety of all products placed on the market. We will cooperate fully with market surveillance authorities to ensure compliance with all relevant regulatory requirements.
