The Company's draft accelerated safeguard plan provides for a change in the rights of the Company's shareholders and the restructuring of the Company's financial debt.

By notice dated 26 July 2024, published in *Bulletin des Annonces L  gales Obligatoires* ("**BALO**"), bulletin no. 90, case no. 2403378 and in the legal gazette *Les Echos*, pursuant to article R. 626-55 of the French Commercial Code, the Judicial Administrators have notified the holders of the claims and rights referred to in the notice that they are parties affected by the Company's draft accelerated safeguard plan and that they are therefore members of a class, pursuant to Article L. 626-30 of the French Commercial Code.

In a notice dated 9 August 2024, published in the BALO, bulletin no. 96, case no. 2403640, pursuant to article R. 626-58 of the French Commercial Code, the Judicial Administrators notified the Company's shareholders of the methods used for assigning the parties to different classes and calculating the voting rights, within the class of which they are members, the criteria used to determine the composition of the classes of affected parties and the list of affected parties.

**Friday 27 September 2024 at 2pm
at the Company's registered office
River Ouest - at the auditorium
80 quai Voltaire, 95870 Bezons**

to consider the following agenda:

Agenda

1. Approval of the Company's draft accelerated safeguard plan

Draft resolution

The shareholders of the Company, voting under the majority conditions required by Article L. 626-30-2 of the French Commercial Code, having reviewed the Company's draft accelerated safeguard plan, approve said draft accelerated safeguard plan.

1) Process for assigning the parties to different classes, criteria used to determine the composition of the classes of affected parts and list of classes of affected parties.

In accordance with the provisions of Article L. 626-30, III of the French Commercial Code, the Judicial Administrators have divided the affected parties into classes representing a sufficiently large community of economic interests, on the basis of verifiable objective criteria, in compliance with the following conditions:

- creditors with security interests in the debtor's assets, for their secured claims, and other creditors are divided into separate classes;
- the division into classes complies with the subordination agreements entered into prior to the commencement of the proceedings and brought to the attention of the Judicial Administrators; and
- holders of capital form one or more classes.

The receivables affected by the Company's draft accelerated safeguard plan referred to in the notice of 26 July 2024 are all financial receivables. None of these affected receivables benefit from any liens or security interests and the Judicial Administrators have not been informed of any subordination agreement.

In order to ensure the financing of the Atos group during the interim period until the implementation of the envisaged financial restructuring of the Company, certain of the Company's financial creditors have agreed to provide the Atos group with interim financing totalling 750 million euros (the "**Interim Financing**") supplemented by a loan of 50 million euros granted by the French State through the *Fonds pour le Développement Economique et Social* (FDES). This financing is not affected by the Company's accelerated safeguard procedure.

In consideration for the granting of these Interim Financing Facilities, Atos SE has however undertaken not to capitalize or waive a proportion of the existing receivables - to be affected by the draft accelerated safeguard plan of the Company - of the bondholders and banks having subscribed to these financing facilities and to reinstall, as part of its financial restructuring, this proportion of affected receivables in the form of new senior debt instruments, in the following proportions: (i) 35% of the amounts subscribed under the Interim Financing initially made available for a total amount of 175 million euros (the "**Interim Financing 1**"); (ii) 50% of the amounts subscribed under the Interim Financing made available in July 2024 for a total amount of 225 million euros (the "**Interim Financing 1 bis**"); (iii) 35% of the amounts subscribed in the context of the Interim Financing made available after the opening of the Company's accelerated safeguard procedure, for a total amount of 350 million euros (the "**Interim Financing 2**").

In order to constitute the classes of affected parties, in accordance with the aforementioned provisions of Article L. 626-30, III, of the French Commercial Code, the Judicial Administrators have taken into account the existence of distinct communities of economic interest between, on the one hand, the creditors who participated in the Interim Financing, on the one hand, the creditors who participated in the Interim Financing, in respect of the portion of their receivables benefiting from a commitment to differentiated treatment made by the Company before the

opening of the accelerated safeguard procedure to enable the implementation of its financial restructuring and, on the other hand, the Company's financial creditors in respect of their allocated receivables which do not benefit from this commitment .

In addition, pursuant to article L. 626-30, III, 3°, Atos SE shareholders have been grouped together in a separate class.

In this respect, the list of classes of affected parts specifying the criteria used for its composition is shown below:

	Classes of affected parties	Members of the class	Formation criteria
1	Class of unsecured financial receivables n°1	Financial creditors (bondholders and bank creditors) who participated in the Interim Financing, for the portion of their affected receivables benefiting from a commitment to differentiated treatment given by the Company before the opening of the accelerated safeguard procedure to enable the implementation of its financial restructuring.	Participation in Interim Financing entitling the Company to a commitment not to capitalise or waive these receivables and to reinstall them in the form of new senior debt instruments
2	Class of unsecured financial receivables No. 2	Financial creditors (bondholders and bank creditors), in respect of their assigned claims that do not fall within the class of unsecured financial claims no. 1	Financial debt not covered by any specific commitment on the part of the Company and to be partially capitalised under the Company's draft plan
3	Capital holder class	Shareholders	Shareholders

The Company's shareholders were informed by a notice published in the BALO on 9 August 2024, bulletin no. 96, case no. 2403640, that they are members of affected party class no. 3 (capital holder class).

2) Methods for calculating the votes exercisable by the shareholder class

In accordance with Article L. 626-30-2 of the French Commercial Code, the shareholders' meeting shall be decided by a two-thirds (2/3) majority of the votes cast by the shareholders present or represented by proxy at the meeting.

Shareholders' voting rights are determined according to the same procedures as those applicable to Extraordinary General Meetings of the Company's shareholders.

3) Preliminary formalities to be carried out in order to participate in the vote of the class of shareholders

All shareholders are members of the capital holder class, regardless of the number of shares they hold.

Pursuant to Article R. 22-10-28 of the French Commercial Code, the right to take part in the vote of the shareholder class is evidenced by the registration of the shares in the name of the shareholder or of the intermediary registered on the shareholder's behalf pursuant to paragraph 7° of Article L. 228-1 of the French Commercial Code, on the second business day preceding the date of the meeting of the shareholder class, **i.e. Wednesday 25 September 2024 at midnight, Paris time**, either in the registered share accounts held for the Company by Société Générale, or in the bearer share accounts held by an intermediary referred to in Article L. 211-3 of the French Monetary and Financial Code.

The registration of shares in bearer share accounts held by an intermediary referred to in Article L. 211-3 of the French Monetary and Financial Code must be evidenced by a certificate of share ownership (*attestation de participation*) issued by the intermediary (where applicable by electronic means) and attached to the postal voting form or proxy form, or to the request for an admission card drawn up in the name of the shareholder or on behalf of the shareholder represented by the registered intermediary. A certificate must also be issued by the authorized intermediary to any shareholder wishing to attend the meeting in person and who has not received an admission card by the second business day preceding the date of the meeting, i.e. Wednesday 25 September 2024 at midnight, Paris time.

Any power of attorney may be revoked in the same way as for the appointment of the proxy.

In accordance with Article R. 22-10-28, IV of the French Commercial Code, shareholders who have already requested an admission card or a certificate of share ownership, voted on resolutions remotely or sent in a proxy form may sell all or some of their shares at any time. However, if the transaction is completed before midnight (Paris time) on Wednesday 25 September 2024, the Company will invalidate or amend, as appropriate, the admission card, the certificate of share ownership, the postal vote or the proxy. To this end, the intermediary referred to in Article L. 211-3 of the French Monetary and Financial Code shall notify the Company or its agent of the transfer and provide it with the necessary information. The intermediary referred to in article L. 211- 3 of the French Monetary and Financial Code shall not notify the Company of any transfer of ownership made after midnight (Paris time) on Wednesday 25 September 2024, regardless of the means used, or be taken into consideration by the Company, notwithstanding any agreement to the contrary.
