

Standard Pricing Fee Schedule

Robinhood Crypto		Robinhood Connect	
Crypto buying & selling	Commission-free refers to \$0 commissions for Robinhood Crypto accounts that buy and sell cryptocurrencies via the app or website.	Debit Card as payment method	0.5-1.5%
		Bank Account Transfer as payment method	0.5-1.5%
Crypto transfers	\$0 Though Robinhood Crypto doesn't charge fees for transfers, every crypto transfer does require a network fee. Network fees, or gas fees, are paid to miners/validators who process blockchain transactions. Fees vary based on network activity. Robinhood doesn't receive or collect any part of the network fee.		

Robinhood reserves the right to vary its rates and fees among customers in connection with special offers, promotions, or arrangements based on criteria such as account values, account balances or customer loyalty.

Processing and service fees assessed by third parties may be passed through to the customer's account. Some products and services may require additional fees or transaction minimums not specifically listed here. Prior to placing a trade or requesting any services, it is the customer's responsibility to ask Robinhood Crypto if any additional fees will apply.
