

# Apple Vision Pro

Before using Apple Vision Pro, review the *Apple Vision Pro User Guide* at [support.apple.com/en-gb/guide/apple-vision-pro](https://support.apple.com/en-gb/guide/apple-vision-pro). Retain documentation for future reference.

## Safety and Handling

See the *Apple Vision Pro Quick Start Guide* in the box and "User safety" in the *Apple Vision Pro User Guide*.

## Exposure to Radio Frequency

On Apple Vision Pro, go to Settings > General > Legal & Regulatory > RF Exposure. Or go to [regulatoryinfo.apple.com/uk/rfexposure](https://regulatoryinfo.apple.com/uk/rfexposure).

## Battery and Charging

Don't attempt to repair or service the Apple Vision Pro Battery yourself—you may damage the battery, which could cause overheating, fire, and injury. The Apple Vision Pro Battery should be serviced or recycled by Apple or an authorized service provider, and must be recycled or disposed of separately from household waste. Dispose of batteries according to your local environmental laws and guidelines. For information about Apple lithium-ion batteries and battery service and recycling, go to [apple.com/uk/batteries/service-and-recycling](https://apple.com/uk/batteries/service-and-recycling). For information about charging, see "Important safety information" in the *Apple Vision Pro User Guide*.

## Avoid Hearing Damage

To prevent possible hearing damage, do not listen at high volume levels for long periods. More information about sound and hearing is available online at [apple.com/uk/sound](https://apple.com/uk/sound) and in "Important safety information" in the *Apple Vision Pro User Guide*.

## Medical Device Interference

Apple Vision Pro contains magnets as well as components and/or radios that may interfere with medical devices. See "Important safety information" in the *Apple Vision Pro User Guide*.

## Accessibility

For information about Apple Vision Pro accessibility features, see the *Apple Vision Pro User Guide*.

## Regulatory Information

Regulatory certification information is available on-device. Go to Settings > General > Legal & Regulatory. Additional regulatory information is in "Support and regulatory" in the *Apple Vision Pro User Guide*.

## Lasers

The TrueDepth camera system and the LiDAR Scanner contain one or more lasers. These laser systems may be disabled for safety reasons if the device is damaged or malfunctions. If you receive a notification on your Apple Vision Pro that the laser system is disabled, you should always have it repaired by Apple or an authorized service provider. Improper repair, modification, or use of non-genuine Apple components in the laser systems may prevent the safety mechanisms from functioning properly, and could cause hazardous exposure and injury to eyes or skin.

## Class 1 Laser Information

This device is classified as a Class 1 Laser product per IEC 60825-1 Ed. 3. This device complies with 21 CFR 1040.10 and 1040.11, except for conformance with IEC 60825-1 Ed. 3., as described in Laser Notice No. 56, dated May 8, 2019. Caution: This device contains one or more lasers. Use other than as described in the user guide, repair, or disassembly may cause damage, which could result in hazardous exposure to infrared laser emissions that are not visible. This equipment should be serviced by Apple or an authorized service provider.

**CLASS 1 LASER PRODUCT**

## Disposal and Recycling Information

The symbol above means that according to local laws and regulations your product and its battery shall be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities. The separate collection and recycling of your product and its battery at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment. For information about Apple's recycling program, recycling collection points, restricted substances, and other environmental initiatives, visit [apple.com/uk/environment](https://apple.com/uk/environment).

## Apple One-Year Limited Warranty Summary

Apple warrants the included hardware product and accessories against defects in materials and workmanship for one year from the date of original retail purchase. Apple does not warrant against normal wear and tear, nor damage caused by accident or abuse. To obtain service, call Apple or visit an Apple Store or an Apple Authorized Service Provider—available service options are dependent on the country in which service is requested and may be restricted to the original country of sale. Call charges and international shipping charges may apply, depending on the location. Subject to the full terms and detailed information on obtaining service available at [apple.com/uk/legal/warranty](https://apple.com/uk/legal/warranty) and [support.apple.com/en-gb](https://support.apple.com/en-gb), if you submit a valid claim under this warranty, Apple will either repair, replace, or refund your hardware device at its own discretion. Warranty benefits are in addition to rights provided under local consumer laws. You may be required to furnish proof of purchase details when making a claim under this warranty.

For EU/EFTA/UK consumers: Apple means Apple Distribution International Ltd., Hollyhill Industrial Estate, Cork, Ireland. Consumers might have remedies free of charge against the seller in the event of a lack of conformity, which are not affected by this warranty.

#### EU / UK Compliance

Apple Inc. hereby declares that this wireless device is in compliance with Directive 2014/53/EU and Radio Equipment Regulations 2017. A copy of the Declaration of Conformity is available at [apple.com/euro/compliance](https://apple.com/euro/compliance). Apple's EU representative is Apple Distribution International Ltd., Hollyhill Industrial Estate, Cork, Ireland. Apple's UK representative is Apple UK Ltd., 2 Furzeground Way, Stockley Park, Middlesex, UB11 1BB.

Frequency	Maximum Power
