

iPod nano Info

Safety & Compliance Information

Listen responsibly. Review the *iPod nano User Guide* before using iPod, including the Safety and Handling section, to avoid injury. Go to www.apple.com/support/manuals/ipodnano. The *iPod nano User Guide* also contains important regulatory compliance, recycling, disposal, and other environmental information.

To prevent possible hearing damage, do not listen at high volume levels for long periods.

Regulatory

Regulatory information, certification, and compliance marks specific to iPod nano are available on iPod nano. Go to Settings > General > About > Regulatory.

Software License Agreement

Use of iPod nano constitutes acceptance of the iPod Software License Agreement found at: www.apple.com/legal/sla/

Battery

The lithium-ion battery in iPod nano should be replaced only by Apple or an authorized service provider, and must be recycled or disposed of separately from household waste. For information about battery service and recycling, go to www.apple.com/batteries/service-and-recycling.

FCC Compliance Statement

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not

cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Important This product has demonstrated EMC compliance under conditions that included the use of compliant peripheral devices and shielded cables between system components. It is important that you use compliant peripheral devices and shielded cables between system components to reduce the possibility of causing interference to radios, televisions, and other electronic devices.

EU Compliance Statement

Apple Inc. hereby declares that this wireless device is in compliance with the essential requirements and other relevant provisions of the R&TTE Directive.

A copy of the EU Declaration of Conformity is available online at www.apple.com/euro/compliance.

Apple's EU representative is Apple Distribution International, Hollyhill Industrial Estate, Cork, Ireland.
