

iPod shuffle Info

Safety & Compliance Information

Listen responsibly. Review the *iPod shuffle User Guide* before using iPod, including the Safety & Handling section, to avoid injury. Go to www.apple.com/support/manuals/ipodshuffle. The *iPod shuffle User Guide* also contains important regulatory compliance, recycling, disposal, and other environmental information.

To prevent possible hearing damage, do not listen at high volume levels for long periods.

Software License Agreement

Use of iPod shuffle constitutes acceptance of the iPod Software License Agreement found at:
www.apple.com/legal/sla/

Battery

The lithium-ion battery in iPod shuffle should be replaced only by Apple or an authorized service provider, and must be recycled or disposed of separately from household waste. For information about battery service and recycling, go to www.apple.com/batteries/service-and-recycling.

FCC Compliance Statement

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired

operation. See instructions if interference to radio or television reception is suspected.

Important Changes or modifications to this product not authorized by Apple Inc. could void the EMC compliance and negate your authority to operate the product.

This product was tested for EMC compliance under conditions that included the use of Apple peripheral devices and Apple shielded cables and connectors between system components.

Apple's EU representative is Apple Distribution International, Hollyhill Industrial Estate, Cork, Ireland.
