Welcome to your Apple Studio Display

Connect your Mac or iPad to the Thunderbolt 3 port on your Studio Display using the included cable. The Studio Display will automatically turn on.

Get the *Studio Display Getting Started*

Learn more about setting up and using your Studio Display in the *Studio Display Getting Started*. To view the guide, go to support.apple.com/guide/studio-display.

About your Studio Display

12MP Ultra Wide camera

Features Center Stage to automatically keep you and anyone with you centered in the frame.

Six-speaker system with spatial audio

Produces immersive, high-fidelity sound when playing music or video with Dolby Atmos.

Three-mic array

Focuses on your voice with directional beamforming for crystal-clear calls and recordings.
