JTP GROUNDWORK technical assistance facility

Application form

How to apply to JTP GROUNDWORK

JTP GROUNDWORK is available only to [those EU regions with approved TJTPs](#). Applications are welcome from all actors with a relevant role in the implementation of the TJTPs – for instance municipalities, regional authorities and socio-economic partners, as well as Managing Authorities – actively contributing to the transition process at regional, local, or community levels. The only valid way to apply is via this EU-Survey questionnaire by the deadline of submission: 28 February 2023 at 23:00 CET.

More information about JTP GROUNDWORK

For more information about the types of support provided, please refer to the FAQ. You may also contact us directly: jtpgroundwork@justtransitionplatform.eu.

Privacy statement agreement

For your application to be processed, you must confirm that you have read the privacy statement and consent to the processing of personal data as described therein. The privacy statement is available within the EU Survey version of this application form.

By checking this box, you confirm that you have read the privacy statement and that you consent to personal data provided in this application being processed as described in the privacy statement.

Part B – Needs, plans and goals for technical assistance

B1. What is your motivation for applying to JTP GROUNDWORK? Please refer to your particular needs (for example, linked to: expected closure of fossil fuel activities, levels of economic dependency, capacity bottlenecks, urgency in deploying funds, deadlines of JTF spending, etc.) and their relevance to the Territorial Just Transition Plan of your region. * _____ {max 1000 characters}

B2. Primary TOPIC: Please select from the list below the one thematic cluster that is most relevant for your primary topic of focus in the proposed technical assistance. For questions about topics, please refer to the FAQ. * *{only one selection possible}*

- Circular economy
- Clean and affordable energy
- Decarbonisation of industry (incl. ETS activities)
- Upskilling and reskilling of workers and jobseekers, education
- Green economic diversification and job creation
- Job-search assistance and active inclusion of jobseekers
- Regeneration and decontamination of brownfield sites, land restoration and repurposing
- Research and innovation
- Social inclusion, including the gender dimension
- No thematic focus
- Other _____ {max 300 characters}

B3. Primary TYPE: Please select from the list below one type of technical assistance that is most relevant for your proposed activities within JTP GROUNDWORK. For questions about types of technical assistance, please refer to the FAQ. * *{only one selection possible}*

- Project identification and development (e.g. selection procedures, attracting private investors, state-aid issues)
- Capacity building for regional and local administrations and other key stakeholders
- Awareness-raising campaigns, communication about JTF in the regions
- Mobilisation of specific stakeholder groups (leading to project development or strengthened implementation and building community at local level)
- Support to the establishment of a transparent, inclusive, and efficient governance mechanism for TJTP implementation
- Support to engage in cross-border cooperation with other JTF regions (when needed to improve project development or TJTP implementation)
- Other _____ {max 300 characters}

B4. Primary CONTENT: Please elaborate in your own words on the most urgent needs/topic(s) of your region, as selected in the above questions. Please write as specifically and concisely as possible, including aspects such as: why you need the proposed technical assistance, for what exactly it is needed (e.g. which specific JTF-eligible projects) and how it relates to your Territorial Just Transition Plan. * _____ {max 1000 characters}

B5. Primary EXPECTATIONS: Which results and/or outputs should be achieved by the end of the proposed technical assistance? * _____ {max 1000 characters}

B6. If there is other challenge to be highlighted for the proposed technical assistance?. If you do not wish to indicate, please insert "N/A" in the below field.

* _____ {max 1000 characters}

B7. How are you going to ensure engagement of different key stakeholders in your region for the technical assistance? * _____ {max 1000 characters}

Part C – Political support, capacities and funding

- C1. Please describe any political support from decision-making institutions and any opportunities for longer-term/embedded governance on the topic(s)/project(s) proposed above. *
_____ {max 1000 characters}
- C2. Please describe current capacities, if any, within the region to address the topic(s)/project(s) described above. * _____ {max 1000 characters}
- C3. Which other sources for funding or support or partnerships, if any, do you plan to leverage to enable a just transition in your region? * _____ {max 300 characters}
- C4. Which kind of support have you received, if any, from other EU programmes, especially any related to just transition? Please elaborate briefly about the applicant's own involvement (or that of any participating partners that you proposed in the earlier question), for example: JTP Secretariat, CRiT Initiative (e.g., START, exchangeEU, WBUA-exchange), TARGET, TSI, JASPERS, TAIEX, EU-funded projects (e.g., Horizon, Interreg, LIFE), etc. * _____ {max 300 characters}
