Panel Chairs of the ERC Peer Review Panels ERC Advanced Grant Panels 2023

The list below includes the panel chairs in the ERC Advanced Grant peer review process, identified and invited by the ERC Scientific Council. There are in total 27 panels, divided between 3 domains as follows: 9 panels in Life Sciences (LS), 7 panels in Social Sciences and Humanities (SH) and 11 panels in Physical Sciences and Engineering (PE). The full list of ERC peer reviewers (panel members and remote referees) will be published by the European Commission after the conclusion of the current peer review process.

Note to applicants:

This information is given for reasons of transparency. Under no circumstances should peer reviewers be contacted by applicants, potential applicants or potential host institutions. Please also note that ERC peer reviewers are bound to confidentiality during the evaluation and afterwards. Hence, they are not allowed to communicate about the evaluation and/or specific proposal(s) with the principal investigators or potential team members or persons linked to them even after the completion of the evaluation process.
