

**COMMISSION REGULATION (EEC) No 1058/93**  
of 29 April 1993

**opening individual sales by invitation to tender for the export of vinous alcohol held by intervention agencies**

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Economic Community,

Having regard to Council Regulation (EEC) No 822/87 of 16 March 1987 on the common organization of the market in wine <sup>(1)</sup>, as last amended by Regulation (EEC) No 1756/92 <sup>(2)</sup>,

Having regard to Council Regulation (EEC) No 3877/88 of 12 December 1988 laying down general rules for the disposal of alcohol obtained from the distillation operations referred to in Articles 35, 36 and 39 of Regulation (EEC) No 822/87 and held by intervention agencies <sup>(3)</sup>,

Whereas Commission Regulation (EEC) No 377/93 <sup>(4)</sup> lays down detailed rules for the disposal of alcohol obtained from distillation as provided for in Articles 35, 36 and 39 of Regulation (EEC) No 822/87 and held by intervention agencies;

Whereas, in view of the cost of storing alcohol, individual sales by invitation to tender should be opened for vinous alcohol obtained from distillation as provided for in Articles 35, 36 and 39 of Regulation (EEC) No 822/87 and held by the French and Spanish intervention agencies;

Whereas individual sales by invitation to tender should be organized for the export of alcohol to certain third countries for end use as motor fuel; whereas these countries should be given an assurance of greater continuity of supply;

Whereas the invitations to tender opened by this Regulation relate to certain third countries where there is some guarantee that exports of vinous alcohol will not disturb their markets in alcohol and spirituous beverages; whereas the amount of and detailed rules for the release of the performance security may be adapted accordingly;

Whereas sales should be organized separately for dispatch to certain countries in Central America and to Caribbean countries covered by the Caribbean Basin Initiative, in particular to take account of certain extra costs resulting from the difference in distance and the possibilities of securing onward or return freight in the countries concerned by the countries concerned by the Caribbean Basin Initiative;

Whereas, to simplify the tender procedure, the location and characteristics of the wine placed on sale as well as certain specific conditions figuring previously in a separate notice should henceforth be mentioned in the Annex to the Regulation on tendering;

Whereas Commission Regulation (EEC) No 3821/92 <sup>(5)</sup> provides for the use of the agricultural conversion rate in force on the day before the date of publication of the notice of invitation to tender for converting the payments and guarantees concerned into national currencies; whereas as a result of the insertion of this notice into the Annex to the Regulation on tendering the agricultural conversion rate to be used is that in force on the day before the publication of the said Regulation;
