

COMMISSION REGULATION (EC) No 900/2007

of 27 July 2007

on a standing invitation to tender to determine refunds on exports of white sugar until the end of the 2007/2008 marketing year

THE COMMISSION OF THE EUROPEAN COMMUNITIES,

Having regard to the Treaty establishing the European Community,

Having regard to Council Regulation (EC) No 318/2006 of 20 February 2006 on the common organisation of the markets in the sugar sector⁽¹⁾, and in particular Articles 23(4) and 40(1)(g) thereof,

Whereas:

- (1) In view of the situation on the Community and world sugar markets, a standing invitation to tender should be opened for the export of white sugar until the end of the 2007/2008 marketing year which, having regard to possible fluctuations in world prices for sugar, must provide for the determination of export refunds.
- (2) The general rules governing invitations to tender for the purpose of determining export refunds for sugar established by Article 32 of Regulation (EC) No 318/2006 should be applied.
- (3) In order to prevent any abuse associated with the re-import or re-introduction into the Community of sugar sector products that have qualified for export refunds, no export refund should be fixed for the countries of the western Balkans.
- (4) In line with Articles 32 and 33 of Council Regulation (EC) No 318/2006, export refunds may be set to cover the competitive gap between Community and third countries' exports. Community exports to certain close destinations and to third countries granting Community products a preferential import treatment are currently in a particular favourable competitive position. Therefore, refunds for exports to those destinations should be abolished.
- (5) In view of the specific nature of the operation, appropriate provisions should be laid down with regard to export licences issued in connection with the standing invitation to tender, in particular as regards the deadline for the issue of the licences, their period of

validity, the amount of the security and the quantity for which the obligation to export resulting from the licence is met. However, Commission Regulation (EC) No 1291/2000 of 9 June 2000 laying down common detailed rules for the application of the system of import and export licences and advance fixing certificates for agricultural products⁽²⁾ and Commission Regulation (EEC) No 120/89 of 19 January 1989 laying down common detailed rules for the application of the export levies and charges on agricultural products⁽³⁾ must continue to apply.

- (6) The provisions of this Regulation replace, as regards the partial invitations to tender as from August 2007, those of Commission Regulation (EC) No 958/2006 of 28 June 2006 on a standing invitation to tender to determine refunds on exports of white sugar for the 2006/2007 marketing year⁽⁴⁾. For the sake of transparency and legal clarity, therefore, that Regulation should be repealed with effect from 1 August 2007.
- (7) The measures provided for in this Regulation are in accordance with the opinion of the Management Committee for Sugar,

HAS ADOPTED THIS REGULATION:

Article 5

1. A security of EUR 11 per 100 kilograms of white sugar to be exported under this invitation to tender must be lodged by each tenderer.

Except in cases of *force majeure*, the part of the security or the security which is not released shall be forfeit in respect of the quantity of sugar for which the corresponding obligations have not been fulfilled.

1. If the Commission decides to make an award under the partial tendering procedure, it shall fix, in accordance with the procedure referred to in Article 39(2) of Regulation (EC) No 318/2006, the maximum amount of the export refund. This amount shall be fixed in the light of the current state and foreseeable development of the Community and world sugar markets.

If the maximum quantity is not fully covered by that award, awards shall be made to other tenderers in ascending order of export refunds quoted until the entire maximum quantity has been accounted for.

2. Where an award to a particular tenderer in accordance with paragraph 1 would result in the maximum quantity being exceeded, that award shall be limited to such quantity as is still available. Where two or more tenders quote the same refund, and awards to all of them would result in the maximum quantity being exceeded, the quantity available shall be allocated to the tenderers concerned in one of the following ways:

(a) by division among the tenderers concerned in proportion to the total quantities in each of their tenders; or

(b) by apportionment among the tenderers concerned by reference to a maximum tonnage to be fixed for each of them; or

2. Every successful tenderer shall be obliged to lodge, in accordance with the relevant provisions of Regulation (EC) No 1291/2000, an application for an export licence in respect of the quantity that has been awarded to it, the application not being revocable in derogation from Article 12 of Regulation (EEC) No 120/89.

The application shall be lodged not later than:

4. The rights and obligations referred to in paragraphs 1, 2 and 3 shall not be transferable.

Article 12

1. For the purposes of determining the period of validity of the licences, Article 23(1) of Regulation (EC) No 1291/2000 shall apply.

2. Export licences issued in connection with a partial invitation to tender shall be valid from the day of issue until the end of the fifth calendar month following that in which the partial invitation was issued.

3. Except in cases of *force majeure*, the holder of the licence shall pay the competent authority a specific amount in respect of the quantity for which the obligation to export resulting from the export licence referred to in Article 11(2) has not been fulfilled, if the security referred to in Article 5(1) is less than the difference between the export refund referred to in Article 33(2)(a) of Regulation (EC) No 318/2006 in force on the last day of validity of the licence, and the refund indicated on that licence.

The amount to be paid referred to in the first subparagraph shall be equal to the difference between the difference referred to in the first subparagraph and the security referred to in Article 5(1).

Article 13

Article 14

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Union*.
