REGULATIONS

COMMISSION DELEGATED REGULATION (EU) No 1310/2014

of 8 October 2014

on the provisional system of instalments on contributions to cover the administrative expenditures of the Single Resolution Board during the provisional period

(Text with EEA relevance)

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 806/2014 of the European Parliament and of the Council of 15 July 2014 establishing uniform rules and a uniform procedure for the resolution of credit institutions and certain investment firms in the framework of a Single Resolution Mechanism and a Single Resolution Fund and amending Regulation (EU) No 1093/2010 ⁽¹⁾, and in particular points (a), (b) and (c) of Article 65(5) thereof,

Whereas:

- (1) The Single Resolution Board (the Board) was established pursuant to Regulation (EU) No 806/2014 and entrusted with the application of the uniform provisions laid down by that Regulation and with the administration of the Single Resolution Fund. Article 58 of that Regulation provides that the Board shall have an autonomous budget which is not part of the Union budget.
- (2) Article 65(3) of Regulation (EU) No 806/2014 provides that the Board shall determine and raise the contributions to the administrative expenditures of the Board which are due by each entity referred to in Article 2 of that Regulation. Those entities are credit institutions established in participating Member States within the meaning of Article 2 of Council Regulation (EU) No 1024/2013 ⁽²⁾ and parent undertakings, investment firms and financial institutions established in participating Member States, where they are subject to consolidated supervision carried out by the European Central Bank (ECB) in accordance with Article 4(1)(g) of Council Regulation (EU) No 1024/2013. Branches, which are established in participating Member States, of credit institutions established in non-participating Member States should not be covered by this Regulation.
- (3) In accordance with Article 59 of Regulation (EU) No 806/2014, the contributions to the administrative expenditures of the Board shall constitute the revenues of Part 1 of the budget of the Board and shall cover the expenditures of Part 1 of the budget, which shall include at least staff remuneration, administrative, infrastructure, professional training and operational expenses.
- (4) In 2014 the Board will not have the dedicated infrastructure and operational capacity to collect contributions to cover its administrative expenditures for 2014 and 2015 from all the entities referred to in Article 2 of Regulation (EU) No 806/2014. Nevertheless, in 2014 the Board will need to raise the revenues necessary to finance Part 1 of its budget to cover its administrative expenditures for those two years. The administrative expenditures of the Board for both the years 2014 and 2015 of the provisional period are estimated to EUR 22 million.

⁽¹⁾ OJ L 225, 30.7.2014, p. 1.

⁽²⁾ Council Regulation (EU) No 1024/2013 of 15 October 2013 conferring specific tasks on the European Central Bank concerning policies relating to the prudential supervision of credit institutions (OJ L 287, 29.10.2013, p. 63).

- (5) A temporary solution should be foreseen to allow the Board to collect contributions to cover its administrative expenditures for 2014 and 2015 while ensuring that the calculation and collection of the contributions may be carried out with the very limited resources of the Board and within a very short timeframe. This should be possible through establishing that the calculation and raising of the contributions to cover the administrative expenditures of the Board are performed on the basis of a two-step approach: a provisional system during the first stages of existence of the Board and a final system.
- (6) Only those entities that have been notified by the ECB, at the highest level of consolidation within the participating Member States, of the ECB's decision to consider them significant within the meaning of Article 6(4) of Regulation (EU) No 1024/2013 and in accordance with Article 147(1) of Regulation (EU) No 468/2014 of the European Central Bank (ECB/2014/17) ⁽¹⁾ and which are mentioned in the list published on the ECB's website on 4 September 2014, but excluding those significant entities which are subsidiaries of groups already taken into account ('significant entities'), should advance the full amount of instalments to cover the administrative expenditures of the Board during the provisional period. The entities which would be considered significant and notified as such by the ECB between 5 September 2014 and the end of the provisional period should not be subject to the obligation of payment of instalments on contributions. To this end, a provisional system of instalments on contributions ('instalments') should be established that will enable the Board to collect, during the provisional period, instalments from significant entities to cover its expenditures.
- (7) That provisional system is proportionate because the entities which will pay instalments represent around 85 % of the total assets of the credit institutions covered by Regulation (EU) No 806/2014 and are easily identifiable. In this preliminary phase, such method for the calculation and collection of instalments should entail as little administrative burden as possible for both the Board and the entities concerned.
- (8) Once the Board has the necessary structure and operational capacity, the Commission will adopt a final system of administrative contributions on the basis of which contributions will be calculated and raised.
- (9) Under the final system, the contributions of the entities referred to in Article 2 of Regulation (EU) No 806/2014 shall be calculated and collected according to the final rules. The contributions of significant entities covered by the provisional system should be reassessed to take into account the amounts paid by them under that provisional system.
- (10) Any difference between the instalments paid on the basis of the provisional system and the contributions calculated in accordance with the final system should be settled in the calculation of the contributions to the administrative expenditures of the Board for the year following the end of the provisional period.
- (11) To allow the Board to become operational by 1 January 2015, as required by Article 98(1) of Regulation (EU) No 806/2014, and to start performing the tasks listed in Article 99(3) of that Regulation, it is urgent to establish a simple and effective mechanism that can be rapidly and easily implemented during the initial stage of existence of the Board to allow it to acquire the necessary financial resources to establish its organisational structure and recruit the staff needed for carrying out its tasks under that Regulation.

Article 4

Provisional system of instalments on contributions

1. All of the entities referred to in Article 2 of Regulation (EU) No 806/2014 shall pay contributions to cover the administrative expenditures of the Board during the provisional period.

⁽¹⁾ Regulation (EU) No 1093/2010 of the European Parliament and of the Council of 24 November 2010 establishing a European Supervisory Authority (European Banking Authority), amending Decision No 716/2009/EC and repealing Commission Decision 2009/78/EC (OJ L 331, 15.12.2010, p. 12).

2. The Board shall calculate and collect in advance instalments on contributions to be paid by significant entities to cover the administrative expenditures of the Board during the provisional period.
3. The calculation and collection of contributions to the administrative expenditures of the Board during the provisional period from entities referred to in Article 2 of Regulation (EU) No 806/2014 other than significant entities shall be deferred until the end of the provisional period referred to in Article 3(f).

Article 5

Calculation of the instalments

1. The administrative expenditures of the Board during the provisional period shall be the basis for determining the instalments on contributions to be paid in advance by significant entities.
2. The instalments to be paid by each significant entity shall be calculated by multiplying the administrative expenditures of the Board for the 2014 and 2015 period, or, where the provisional period goes beyond 31 December 2015, for the relevant period by the ratio of the total assets of that significant entity to the aggregate of the total assets of all significant entities as reported on 31 December 2013 or on the applicable reporting date for the financial year 2013, if the financial year ends at a later date than 31 December.

Article 6

Settlement arrangements

1. The amount of contributions due by each entity referred to in Article 2 of Regulation (EU) No 806/2014 to cover the administrative expenditures of the Board during the provisional period shall be (re)calculated in accordance with the final system of administrative contributions adopted by the Commission in accordance with Article 65(5)(a) of Regulation (EU) No 806/2014 (the 'final system').
2. Any difference between the instalments paid on the basis of the provisional system and the contributions referred to in paragraph 1 calculated in accordance with the final system shall be settled in the calculation of the contributions to cover the administrative expenditures of the Board for the year which follows the provisional period. That adjustment shall be made by decreasing or increasing the contributions to the administrative expenditures of the Board for that year.
3. Where the difference referred to in paragraph 2 is higher than the contributions due for that year, the adjustment shall continue in the subsequent year.

Article 7

Notification and payment

1. An instalment notice shall be issued and notified by the Board to each significant entity by registered mail with a form of acknowledgment of receipt.
2. The instalment notice shall specify the amount of the instalment to be paid in advance by the significant entity to cover the administrative expenditures of the Board during the provisional period.
3. The instalment notice shall specify the means by which the instalment shall be paid. The significant entity shall comply with conditions for payment specified in the instalment notice.
4. The significant entity shall pay the amount due under the instalment notice in one single instalment within 30 days of the date of notification of the instalment notice.
5. Without prejudice to any other remedy available to the Board, for any partial payment, non-payment or non-compliance with the conditions for payment specified in the instalment notice, the significant entity shall incur a daily penalty on the outstanding amount of the instalment.

To calculate the daily penalty interest shall accrue on a daily basis on the amount due at an interest rate applied by the European Central Bank to its principal refinancing operations, as published in the C series of the *Official Journal of the European Union*, in force on the first calendar day of the month in which the payment deadline falls increased by 8 percentage points from the date on which the instalment was due.

6. The daily penalty payment referred to in paragraph 5 shall be enforceable. Enforcement shall be governed by the applicable procedural rules in the participating Member State. The order for its enforcement shall be appended to the decision without other formality than verification of the authenticity of the decision by the authority which the government of each participating Member State shall designate for that purpose and which it shall make known to the Board and to the Court of Justice.

Article 9

This Regulation shall enter into force on the day of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.
