## REGULATION (EU) 2017/2305 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL

of 12 December 2017

**amending Regulation (EU) No 1303/2013 as regards the changes to the resources for economic, social and territorial cohesion and to the resources for the Investment for growth and jobs goal and for the European territorial cooperation goal**

THE EUROPEAN PARLIAMENT AND THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 177 thereof,

Having regard to the proposal from the European Commission,

After transmission of the draft legislative act to the national parliaments,

After consulting the European Economic and Social Committee,

After consulting the Committee of the Regions,

Acting in accordance with the ordinary legislative procedure <sup>(1)</sup>,

Whereas:

- (1) Regulation (EU) No 1303/2013 of the European Parliament and of the Council <sup>(2)</sup> lays down the common and general rules applicable to the European Structural and Investment Funds.
- (2) In accordance with Article 7(1) of Council Regulation (EU, Euratom) No 1311/2013 <sup>(3)</sup> and Article 92(3) of Regulation (EU) No 1303/2013, the Commission reviewed in 2016 the total allocations of all Member States under the Investment for growth and jobs goal of cohesion policy for the years 2017 to 2020.
- (3) In accordance with Article 7(3) of Regulation (EU, Euratom) No 1311/2013 and Article 92(3) of Regulation (EU) No 1303/2013, the Commission presented the results of that review in a communication to the Council and the European Parliament of 30 June 2016 on the technical adjustment of the financial framework for 2017 in line with movements in gross national income (GNI) and adjustment of cohesion policy envelopes. The Commission stated in that communication that, on the basis of the most recent statistics, there is a cumulative divergence of more than +/- 5 % between the total and the revised allocations in Belgium, the Czech Republic, Denmark,

<sup>(1)</sup> Position of the European Parliament of 30 November 2017 (not yet published in the Official Journal) and decision of the Council of 7 December 2017.

<sup>(2)</sup> Regulation (EU) No 1303/2013 of the European Parliament and of the Council of 17 December 2013 laying down common provisions on the European Regional Development Fund, the European Social Fund, the Cohesion Fund, the European Agricultural Fund for Rural Development and the European Maritime and Fisheries Fund and laying down general provisions on the European Regional Development Fund, the European Social Fund, the Cohesion Fund and the European Maritime and Fisheries Fund and repealing Council Regulation (EC) No 1083/2006 (OJ L 347, 20.12.2013, p. 320).

<sup>(3)</sup> Council Regulation (EU, Euratom) No 1311/2013 of 2 December 2013 laying down the multiannual financial framework for the years 2014-2020 (OJ L 347, 20.12.2013, p. 884).

Estonia, Ireland, Greece, Spain, Croatia, Italy, Cyprus, the Netherlands, Slovenia, Slovakia, Finland, Sweden and the United Kingdom. In addition, the Commission stated that, on the basis of its GNI per capita figures for 2012-2014, Cyprus would become fully eligible for support from the Cohesion Fund as of 1 January 2017.

- (4) As required by Article 7(4) and (5) of Regulation (EU, Euratom) No 1311/2013 and Article 92(3) of Regulation (EU) No 1303/2013, the allocations of those Member States are to be adjusted accordingly, provided that the total net effect of those adjustments does not exceed EUR 4 billion.
- (5) Insofar as the review had an impact on the annual breakdown of the allocations for the global resources by Member State under the Investment for growth and jobs goal and under the European territorial cooperation goal, as well as on the Youth Employment Initiative ("YEI"), the review was implemented by Commission Implementing Decision (EU) 2016/1941 <sup>(1)</sup>.
- (6) The total net effect of those adjustments is to increase the resources for economic, social and territorial cohesion by EUR 4 billion. That increase should be reflected in Article 91(1) of Regulation (EU) No 1303/2013, which should therefore be adjusted accordingly.
- (7) The resources for the Investment for growth and jobs goal and their allocation among less developed regions, transition regions, more developed regions, Member States supported by the Cohesion Fund, and outermost regions, as set out in Article 92(1) of Regulation (EU) No 1303/2013, should be adjusted accordingly.
- (8) In accordance with Article 14(1) of Regulation (EU, Euratom) No 1311/2013, the margins left available below the ceilings for commitment appropriations of the multiannual financial framework ("MFF") are to constitute the Global MFF Margin for commitments, to be made available over and above the ceilings established in the MFF for the years 2016 to 2020 for policy objectives related to growth and employment, in particular youth employment. The limitation of the margins left available below the MFF ceilings for commitment appropriations to the years 2014 to 2017 was removed by Council Regulation (EU, Euratom) 2017/1123 <sup>(2)</sup>, thereby allowing the YEI to be extended to 2020 and the specific allocation for the YEI to be increased by an amount of EUR 1,2 billion in current prices for the period 2017-2020. The specific allocation for the YEI as set out in Articles 91(1) and 92(5) of Regulation (EU) No 1303/2013 should therefore be adjusted accordingly.
- (9) In accordance with Article 94(2) of Regulation (EU) No 1303/2013, the Commission accepted a proposal submitted by Denmark to transfer a part of its appropriations for the European territorial cooperation goal to the Investment for growth and jobs goal. That transfer should be reflected in an adjustment of the global resources available for the European territorial cooperation goal under Article 92(9) of that Regulation.
- (10) In accordance with the procedure set out in Article 19(1) of Regulation (EU, Euratom) No 1311/2013, Council Regulation (EU, Euratom) 2015/623 <sup>(3)</sup> transferred to subsequent years an amount of EUR 11 216 187 326 in current prices of the allocation provided for the Structural Funds and the Cohesion Fund. That transfer should be reflected in Annex VI to Regulation (EU) No 1303/2013 setting out the global annual breakdown of commitment appropriations for the years 2014 to 2020. In addition, an amount of EUR 9 446 050 652 in current prices of the allocation provided for the European Agricultural Fund for Rural Development and the European Maritime and Fisheries Fund which could not be committed in 2014 nor carried over to 2015 was transferred to subsequent years.
- (11) In view of the need to ensure that the additional allocations made available for the 2017 budget year are financially committed, including through amendments to affected programmes, it was considered to be appropriate to provide for an exception to the 8-week period referred to in Article 4 of Protocol No 1 on the role of national Parliaments in the European Union, annexed to the Treaty on European Union, to the Treaty on the Functioning of the European Union and to the Treaty establishing the European Atomic Energy Community.

<sup>(1)</sup> Commission Implementing Decision (EU) 2016/1941 of 3 November 2016 amending Implementing Decision 2014/190/EU setting out the annual breakdown by Member State of global resources for the European Regional Development Fund, the European Social Fund and the Cohesion Fund under the Investment for growth and jobs goal and the European territorial cooperation goal, the annual breakdown by Member State of resources from the specific allocation for the Youth Employment Initiative together with the list of eligible regions, and the amounts to be transferred from each Member State's Cohesion Fund and Structural Funds allocations to the Connecting Europe Facility and to aid for the most deprived for the period 2014-2020 (OJ L 299, 5.11.2016, p. 61).

<sup>(2)</sup> Council Regulation (EU, Euratom) 2017/1123 of 20 June 2017 amending Regulation (EU, Euratom) No 1311/2013 laying down the multiannual financial framework for the years 2014-2020 (OJ L 163, 24.6.2017, p. 1).

<sup>(3)</sup> Council Regulation (EU, Euratom) 2015/623 of 21 April 2015 amending Regulation (EU, Euratom) No 1311/2013 laying down the multiannual financial framework for the years 2014-2020 (OJ L 103, 22.4.2015, p. 1).

- (12) Given the urgency of extending the programmes supporting the YEI, this Regulation should enter into force on the day following that of its publication in the *Official Journal of the European Union*.
- (13) Regulation (EU) No 1303/2013 should therefore be amended,
