EUROPEAN COMMISSION

Non-opposition to a notified concentration**(Case M.10682 – VALEO / VSEA)****(Text with EEA relevance)**

(2022/C 201/01)

On 11 May 2022, the Commission decided not to oppose the above notified concentration and to declare it compatible with the internal market. This decision is based on Article 6(1)(b) of Council Regulation (EC) No 139/2004 ⁽¹⁾. The full text of the decision is available only in English and will be made public after it is cleared of any business secrets it may contain. It will be available:

- in the merger section of the ‘Competition policy’ website of the Commission (<http://ec.europa.eu/competition/mergers/cases/>). This website provides various facilities to help locate individual merger decisions, including company, case number, date and sectoral indexes,
- in electronic form on the EUR-Lex website (<http://eur-lex.europa.eu/homepage.html?locale=en>) under document number 32022M10682. EUR-Lex is the online point of access to European Union law.

Non-opposition to a notified concentration**(Case M.10688 – AXA / ATALANTE)****(Text with EEA relevance)**

(2022/C 201/02)

On 13 May 2022, the Commission decided not to oppose the above notified concentration and to declare it compatible with the internal market. This decision is based on Article 6(1)(b) of Council Regulation (EC) No 139/2004 ⁽¹⁾. The full text of the decision is available only in French and will be made public after it is cleared of any business secrets it may contain. It will be available:

- in the merger section of the ‘Competition policy’ website of the Commission (<http://ec.europa.eu/competition/mergers/cases/>). This website provides various facilities to help locate individual merger decisions, including company, case number, date and sectoral indexes,
- in electronic form on the EUR-Lex website (<http://eur-lex.europa.eu/homepage.html?locale=en>) under document number 32022M10688. EUR-Lex is the online point of access to European Union law.

List of natural mineral waters recognised by Member States, EEA countries and United Kingdom in respect of Northern Ireland

(2022/C 201/04)

In accordance with Article 1 of Directive 2009/54/EC of the European Parliament and of the Council of 18 June 2009 on the exploitation and marketing of natural mineral waters ⁽¹⁾, the Commission is publishing in the *Official Journal of the European Union* the list of natural mineral waters recognised as such by the Member States.

The following list replaces any list of recognised natural mineral waters previously published.

1. MEMBER STATES

List of natural mineral waters recognised by Belgium

Trade description	Name of source	Place of exploitation
Bru	Bru	Chevron
Chaudfontaine	Thermale	Chaudfontaine
Chevron	Monastère	Chevron
Christianabronnen	Christiana	Gavere
Clémentine	Clémentine	Spixhe

COURT OF AUDITORS

Special report No 7/2022:

‘SME internationalisation instruments – a large number of support actions but not fully coherent or coordinated’

(2022/C 201/05)

The European Court of Auditors has published its special report No 7/2022: ‘SME internationalisation instruments – a large number of support actions but not fully coherent or coordinated’.

The report can be consulted directly or downloaded at the European Court of Auditors’ Internet: <https://www.eca.europa.eu/en/Pages/DocItem.aspx?did=61072>

NOTICES FROM MEMBER STATES

Update of the list of border crossing points as referred to in Article 2(8) of Regulation (EU) 2016/399 of the European Parliament and of the Council on a Union Code on the rules governing the movement of persons across borders (Schengen Borders Code) ⁽¹⁾

(2022/C 201/06)

The publication of the list of border crossing points as referred to in Article 2(8) of Regulation (EU) 2016/399 of the European Parliament and of the Council of 9 March 2016 on a Union Code on the rules governing the movement of persons across borders (Schengen Borders Code) ⁽²⁾ is based on the information notified by the Member States to the Commission pursuant to Article 39 of the Schengen Borders Code.

In addition to the publication in the Official Journal, a regular update is available on the website of the Directorate-General for Migration and Home Affairs.

EUROPEAN COMMISSION

Prior notification of a concentration

(Case M.10746 – MORGAN STANLEY / BAWAG / GYLE JV)

Candidate case for simplified procedure

(Text with EEA relevance)

(2022/C 201/07)

1. On 6 May 2022, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ⁽¹⁾.

This notification concerns the following undertakings:

- Morgan Stanley Principal Funding, Inc. ('MSPF'), belonging to the Morgan Stanley Group ('Morgan Stanley', both United States),
- RF zwölf BAWAG Leasing Gesellschaft m.b.H ('Bawag Leasing'), belonging to the Bawag Group AG ('BAWAG Group', both Austria),
- Gyle JV which has been set up for the purpose of the acquisition of the Gyle Shopping Centre (United Kingdom).

MSPF and Bawag Leasing will acquire within the meaning of Article 3(1)(b) of the Merger Regulation indirectly through Gyle JV joint control over the Gyle Shopping Centre from DRC Capital LLP ('DRC').

The concentration is accomplished by way of purchase of shares and obligations.

2. The business activities of the undertakings concerned are the following:

- for MSPF: MSPF belongs to Morgan Stanley, a global financial services firm providing a wide range of investment banking, securities, wealth management and investment management services,
- for Bawag Leasing: Bawag Leasing is part of Bawag Group, a publicly listed holding company, offering savings, payment, lending, leasing investment, building society, factoring and insurance products and services.
- Gyle JV will be active in owning, managing, leasing, improving and developing the Gyle Shopping Centre located in Edinburgh, United Kingdom, as well as dealing with services related to the provision of retail space within the Gyle Shopping Centre.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

⁽¹⁾ OJ L 24, 29.1.2004, p. 1 (the 'Merger Regulation').

Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004 ^(?) it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. The following reference should always be specified:

M.10746 – MORGAN STANLEY / BAWAG / GYLE JV

Observations can be sent to the Commission by email, by fax, or by post. Please use the contact details below:

Prior notification of a concentration
(Case M.10624 – ENEL / INTESA / JV)

(Text with EEA relevance)

(2022/C 201/08)

1. On 10 May 2022, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ⁽¹⁾.

This notification concerns the following undertakings:

- Enel X S.r.l. (Italy), controlled by Enel S.p.A.,
- Intesa Sanpaolo S.p.A. (Italy),
- Mooney Group S.p.A. (Italy),
- PayTipper S.p.A., CityPoste Payment S.p.A., Enel X Financial Services S.r.l. and Junia Insurance S.r.l. (Italy).

Enel X S.r.l. and Intesa Sanpaolo S.p.A. will acquire within the meaning of Article 3(1)(b) and 3(4) of the Merger Regulation joint control of Mooney Group S.p.A., PayTipper S.p.A., CityPoste Payment S.p.A., Enel X Financial Services S.r.l. and Junia Insurance S.r.l.

The concentration is accomplished by way of purchase of shares.

2. The business activities of the undertakings concerned are the following:

- Enel S.p.A. is an energy group active in generation, trading, distribution and supply of electricity and natural gas,
- Intesa Sanpaolo S.p.A. is a banking group active in the retail and corporate banking and in wealth management. The group offers services to 13.5 million customers through a network of over 3,700 branches in Italy and 1,000 branches and 7.1 million customers worldwide,
- Mooney Group S.p.A. renders payment services through retail outlets and its own digital platforms in Italy,
- PayTipper S.p.A., CityPoste Payment S.p.A., Enel X Financial Services S.r.l. and Junia Insurance S.r.l. render services for the payment of taxes and utility bills.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. The following reference should always be specified:

M.10624 – ENEL / INTESA / JV

Observations can be sent to the Commission by email, by fax, or by post. Please use the contact details below:

Prior notification of a concentration
(Case M.10722 – CHEVRON / RENEWABLE ENERGY GROUP)
Candidate case for simplified procedure

(Text with EEA relevance)

(2022/C 201/09)

1. On 10 May 2022, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ⁽¹⁾.

This notification concerns the following undertakings:

- Chevron Corporation ('Chevron', United States),
- Renewable Energy Group, Inc ('REG', United States).

Chevron will acquire within the meaning of Article 3(1)(b) of the Merger Regulation sole control of REG.

The concentration is accomplished by way of a merger agreement (all-cash transaction).

2. The business activities of the undertakings concerned are the following:

- Chevron is an integrated energy company based in California, producing crude oil and natural gas, transportation fuels, lubricants, petrochemicals and additives,
- REG is a producer of biofuels headquartered in Iowa, producing biodiesel and renewable diesel, and selling carbon credits, petroleum-based products, as well as petroleum-based products further blended with bio-based diesel.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

4. Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004 ⁽²⁾ it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.

5. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. The following reference should always be specified:

M.10722 – CHEVRON / RENEWABLE ENERGY GROUP

Prior notification of a concentration
(Case M.10662 – ATLANTIA / YUNEX)
Candidate case for simplified procedure

(Text with EEA relevance)

(2022/C 201/10)

1. On 10 May 2022, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ⁽¹⁾.

This notification concerns the following undertakings:

- Atlantia S.p.A ('Atlantia', Italy),
- Yunex GmbH ('Yunex', Germany), ultimately controlled by Siemens AG (Germany).

Atlantia will acquire within the meaning of Article 3(1)(b) of the Merger Regulation sole control of the whole of Yunex.

The concentration is accomplished by way of purchase of shares.

2. The business activities of the undertakings concerned:

- Atlantia provides tolling and mobility services and manages motorway and airport infrastructure under concession. It is active in several EEA countries including Italy, Spain, France and, to a limited extent, Poland.
- Yunex is a global provider of intelligent urban and interurban road traffic solutions.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004 ⁽²⁾ it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.

Observations must reach the Commission not later than 10 days following the date of this publication. The following reference should always be specified:

M.10662 – ATLANTIA / YUNEX

Prior notification of a concentration
(Case M.10700 – HY24 / ENAGAS / ENAGAS RENOVBABLE)
Candidate case for simplified procedure

(Text with EEA relevance)

(2022/C 201/11)

1. On 11 May 2022, the Commission received notification of a proposed concentration pursuant to Article 4 of Council Regulation (EC) No 139/2004 ⁽¹⁾.

This notification concerns the following undertakings:

- HY24 SAS ('HY24', France), jointly controlled by Ardian SAS ('Ardian', France) and FiveT Group AG ('FiveT Group', Switzerland),
- Enagás, S.A. ('Enagás', Spain),
- Enagás Renewable, S.L.U. ('Enagás Renewable', Spain), currently under sole control of Enagás.

HY24 SAS and Enagás will acquire joint control of Enagás Renewable within the meaning of Article 3(1)(b) and 3(4) of the Merger Regulation.

The concentration is accomplished by way of purchase of shares.

2. The business activities of the undertakings concerned are the following:

- Ardian is a private equity group comprised of various management companies and investment funds which invest in companies involved in a wide range of businesses (such as healthcare, infrastructure, energy, consumer goods or new technologies sectors) throughout the world,
- FiveT Group is the holding company of a group of funds based in Switzerland, where FiveT Hydrogen is a clean private infrastructure fund dedicated to the financing of projects in the production, storage and distribution of clean hydrogen,
- Enagás is a Spanish natural gas transmission company and Technical Manager of the Spanish gas system,
- Enagás Renewable is active on the development of projects in the field of renewable gases and decarbonization.

3. On preliminary examination, the Commission finds that the notified transaction could fall within the scope of the Merger Regulation. However, the final decision on this point is reserved.

Pursuant to the Commission Notice on a simplified procedure for treatment of certain concentrations under Council Regulation (EC) No 139/2004 ⁽²⁾ it should be noted that this case is a candidate for treatment under the procedure set out in the Notice.

4. The Commission invites interested third parties to submit their possible observations on the proposed operation to the Commission.
