EUROPEAN PARLIAMENT

Mobilisation of Globalisation Adjustment Fund: Odense Steel Shipyard/Denmark

P7_TA(2011)0300

European Parliament resolution of 5 July 2011 on the proposal for a decision of the European Parliament and of the Council on the mobilisation of the European Globalisation Adjustment Fund, in accordance with point 28 of the Interinstitutional Agreement of 17 May 2006 between the European Parliament, the Council and the Commission on budgetary discipline and sound financial management (application EGF/2010/025 DK/Odense Steel Shipyard from Denmark) (COM(2011)0251 – C7-0114/2011 – 2011/2093(BUD))

(2013/C 33 E/26)

The European Parliament,

- having regard to the Commission proposal to Parliament and the Council (COM(2011)0251 – C7-0114/2011),
 - having regard to the Interinstitutional Agreement of 17 May 2006 between the European Parliament, the Council and the Commission on budgetary discipline and sound financial management ⁽¹⁾ (IIA of 17 May 2006), and in particular point 28 thereof,
 - having regard to Regulation (EC) No 1927/2006 of the European Parliament and of the Council of 20 December 2006 on establishing the European Globalisation Adjustment Fund ⁽²⁾ (EGF Regulation),
 - having regard to the letter of the Committee on Employment and Social Affairs,
 - having regard to the report of the Committee on Budgets (A7-0234/2011),
- A. whereas the European Union has set up the appropriate legislative and budgetary instruments to provide additional support to workers who are suffering from the consequences of major structural changes in world trade patterns and to assist their reintegration into the labour market,
- B. whereas the scope of the EGF was broadened for applications submitted from 1 May 2009 to include support for workers made redundant as a direct result of the global financial and economic crisis,
- C. whereas the Union's financial assistance to workers made redundant should be dynamic and made available as quickly and efficiently as possible, in accordance with the Joint Declaration of the European Parliament, the Council and the Commission adopted during the conciliation meeting on 17 July 2008, and having due regard for the IIA of 17 May 2006 in respect of the adoption of decisions to mobilise the EGF,

⁽²⁾ OJ L 406, 30.12.2006, p. 1.

Tuesday 5 July 2011

- D. whereas Denmark has requested assistance in respect of cases concerning 1 356 redundancies (of which 950 targeted for assistance) in the enterprise Odense Steel Shipyard operating in shipyard sector in the municipality of Odense located in the region of Southern Denmark,
- E. whereas the application fulfils the eligibility criteria laid down by the EGF Regulation,
1. Requests the institutions involved to make the necessary efforts to improve procedural and budgetary arrangements in order to accelerate the mobilisation of the EGF; appreciates in this sense the improved procedure put in place by the Commission, following Parliament's request for accelerating the release of grants, aimed at presenting to the budgetary authority the Commission's assessment on the eligibility of an EGF application together with the proposal to mobilise the EGF; hopes that further improvements in the procedure will be made within the framework of the upcoming review of the EGF and that greater efficiency, transparency and visibility of the EGF will be achieved;
 2. Recalls the institutions' commitment to ensuring a smooth and rapid procedure for the adoption of the decisions on the mobilisation of the EGF, providing one-off, time-limited individual support geared to helping workers who have suffered redundancies as a result of globalisation and the financial and economic crisis; emphasises the role that the EGF can play in the reintegration of workers made redundant into the labour market;
 3. Stresses that, in accordance with Article 6 of the EGF Regulation, it should be ensured that the EGF supports the reintegration of individual redundant workers into employment; reiterates that assistance from the EGF must not replace actions which are the responsibility of companies by virtue of national law or collective agreements, nor measures restructuring companies or sectors;
 4. Notes that the information provided on the coordinated package of personalised services to be funded from the EGF includes information on the complementarity with actions funded by the Structural Funds; reiterates its call to the Commission to present a comparative evaluation of those data in its annual reports as well;
 5. Welcomes the fact that following repeated requests from Parliament, for the first time the 2011 budget shows payment appropriations of EUR 47 608 950 on the EGF budget line 04 05 01; reminds that the EGF was created as a separate specific instrument with its own objectives and deadlines and that it therefore deserves a dedicated allocation, which will avoid transfers from other budget lines, as happened in the past, which could be detrimental to the achievement of the various policies objectives;
 6. Approves the decision annexed to this resolution;
 7. Instructs its President to sign the decision with the President of the Council and to arrange for its publication in the *Official Journal of the European Union*;
 8. Instructs its President to forward this resolution, including its annex, to the Council and the Commission.
