

**Carmen Forster, CFA**, General Manager: Claims & Operations for the Old Mutual Short-Term Insurance Company (Namibia) Ltd.

Carmen is a Fellow of the Actuarial Society of South Africa and the Society of Actuaries of Namibia. She is also a CFA Charterholder. Carmen is currently employed as the General Manager: Claims and Operations at the Old Mutual Short-Term Insurance Company (Namibia) Ltd. She has garnered almost 25 years of experience in the Namibian financial industry where she has played an active role several disciplines, including pensions, investments, long-term insurance and now, more recently, in short-term insurance. Carmen is a past President and Founding Member of the Society of Actuaries of Namibia and is also a member of the CFA Namibia Chapter Committee. Through her involvement in these organisations, Carmen has played an active role in raising awareness of the actuarial and CFA professions in Namibia.
