Resilient performance

Quick Pointers:

- Cig volumes up ~3.3%, FMCG sales grow 6.8% amid muted environment, Hotels perform well despite high base
- Paper business continues to face weakness while Agri business sees uptick

ITC EBIDTA growth missed estimates due to higher than expected margin pressure in Paper business and impact of demand and cost headwinds in FMCG. Cigarette volumes grew by ~3.3% as ITC continued to invest behind brands and go to market initiatives. FMCG business sales grew 7% (ex of stationary) which although lower than previous years, however seems better than most of its FMCG peers.

We remain optimistic on cigarette demand and expect further increase in volume growth; margins are unlikely to improve due to higher leaf tobacco prices. FMCG sales are likely to show slow recovery, margin headwinds are likely in near term due to rising RM price of wheat, edible oils etc. Although Hotels have, a high, base, expect better performance in 2H25 due to uptick in seasonal demand. We believe paper margins will continue to face pressure in near term & expect delayed recovery.

We cut our FY 25/26/27 estimates by 4.4%/1.3%/0.6% & estimate 10% EPS CAGR over FY25-27 given pressure in Paper margins & tepid FMCG environment. ITC trades at 24.5x Sep'26 EPS with ROE/ROCE of 31.6/41.9% and ~80%+ dividend payout. We assign SOTP based target price of Rs539 (Rs541 earlier) based on Sept26. Retain Accumulate

2Q Revenue up 16.8%: Revenues grew by 16.8% YoY to Rs193.3bn (PLe: Rs179bn). EBITDA grew by 4.9% YoY to Rs63.4bn (PLe:Rs 65bn); Margins contracted by 373bps YoY to 32.8% (PLe:36.4%) Adj PAT grew by 3.1% YoY to Rs50.8bn (PLe:Rs52.5bn).We estimate ~3.3% cigarette volume growth

2QFY25: Hotels and Agri key drivers: Paper and FMCG drag

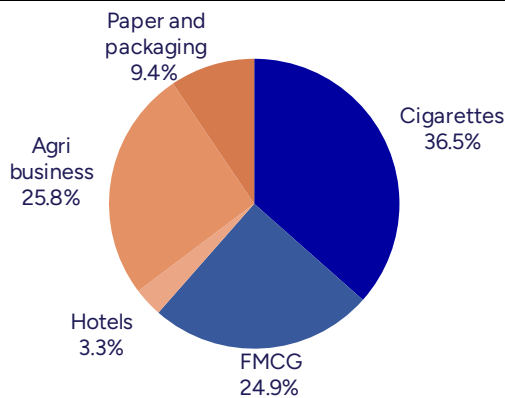

- Cigarette Revenues grew by 6.8% YoY to Rs81.8bn; EBIT grew by 5% YoY to 50.2bn. Margins contracted by 101bps YoY to 61.4%. Volumes grew 3.3%
- FMCG Revenues grew by 5.4% YoY to Rs55.8bn; EBIT grew by 1% YoY to 4.4bn. Margins contracted by 37bps YoY to 7.9%
- Hotels Revenues grew by 12.1% YoY to Rs7.3bn; EBIT grew by 20% YoY to 1.5bn. Margins expanded by 140bps YoY to 20.8%
- Agri Revenues grew by 47.1% YoY to Rs57.8bn; EBIT grew by 27% YoY to 4.5bn. Margins contracted by 121bps YoY to 7.9%
- Paperboard & Paper Revenues grew by 2.1% YoY to Rs21.1bn; EBIT grew by 23% YoY to 2.4bn. Margins contracted by 379bps YoY to 11.5%

Exhibit 1: 2QFY25: Net Sales up 16.8%, margins contract due to higher Agri contribution and Paper margin pressure

Demand impacted due to unusual heavy rains and high food inflation due to volatility in commodity prices

Staples, Biscuits, Snacks, Frozen Snacks, Dairy, Premium Soaps, Homecare and Agarbatti continue to drive Growth

Education & stationery products witnessed heightened competitive intensity especially from regional/local players on the back of reduction in paper prices. Notebooks were impacted by high base effect and competition from local brands led by sharp drop in paper prices

Competitive intensity remained high in certain categories such as Biscuits, Snacks, Noodles, popular Soaps, including from local/regional players. ITC to continue focus on premiumisation.

Incessant rains and flooding in certain parts of the country adversely impacted categories with higher salience of discretionary/out-of-home consumption

FMCG EBIDTA margins at 10.6% amidst inflationary headwinds in input costs (edible oil, wheat, maida, potato etc)

Paperboards remains impacted by low-priced Chinese supplies in global markets, muted domestic demand, unprecedented increase in domestic wood costs and high base effect;

Hotels business continues to grow in spite of high base on account of higher occupancy and stable ARR. Demerger likely to be completed by Mar'25

Exhibit 5: Cigarette volumes grew ~3.3%, Cigarettes margins at 62.6%

Source: Company, PL

Exhibit 6: Cigarette Volumes up ~3.3%

Source: Company, PL

Exhibit 7: FMCG margins down 36bps at 10.6%

Source: Company, PL

- Cigarette volumes grew ~3.3%; EBIT up 5.1%:** Cigarette Revenues grew by 6.8% YoY to Rs81.8bn; EBIT grew by 5% YoY to 50.2bn. Margins contracted by 101bps YoY to 61.4% due to high leaf tobacco prices. Cigarettes Segment witnessed stable growth led by differentiated and premium offerings. Significant cost increases in leaf tobacco were partially offset by an improved product mix, strategic cost management, and carefully adjusted pricing actions. ITC has launched classic in RSFT and improved its go to market initiatives, which enabled regain lost market share, in our view.
- FMCG EBITDA margins up 7.9%:** FMCG Revenues grew by 5.4% YoY (7% YoY ex-Notebooks) to Rs55.8bn; EBIT grew by 1% YoY to 4.4bn. Margins contracted by 37bps YoY to 7.9% due to subdued demand and input cost inflation in certain segments. Stationary business suffered due to local competition led by low paper prices. Staples, Biscuits, Snacks, Frozen Snacks, Dairy, Premium Soaps, Homecare and Agarbatti drive growth. Near term, margin headwinds might sustain due to low paper prices in stationary and higher input costs of wheat, edible oils and potato.
- Hotels Revenues up 12.1% YoY:** Hotels Revenues grew by 12.1% YoY to Rs7.3bn; EBIT grew by 20% YoY to 1.5bn. Margins expanded by 140bps YoY to 20.8% Hotels Segment delivered strong performance on a high base (PY includes G20 related business). F&B, Retail & Wedding segments drive growth. Outlook remains strong given rising Revpar and occupancy levels.
- Paperboards, Paper & Packaging:** Paperboard & Paper Revenues grew by 2.1% YoY to Rs21.1bn; EBIT grew by 23% YoY to 2.4bn. Margins contracted by 379bps YoY to 11.5%. Lower realizations, a sharp rise in domestic wood prices, and increased ocean freight costs continue to pressure margins. Unseasonal rains have negatively affected wood availability, quality, and procurement prices. Higher domestic wood prices and inability to pass on higher input costs will continue to pressurize margins in near term.
- Agri Business:** Agri Revenues grew by 47.1% YoY to Rs57.8bn EBIT grew 23%YoY to 2.4bn. Margins contracted by bps YoY to 5.1%. Robust growth in leaf tobacco exports was driven by strong customer relationships and strong domestic sales opportunity in coffee, fruits and vegetables, and spices boosted sales growth.
