

Every large company was once a startup.

Inside large companies are billion-dollar ideas, hidden talent and ready capital – resources and expertise that are the envy of any startup.

How do I find new **growth**?

If you're asking yourself this, you're not alone. In the face of constant change, growth isn't just a goal—it's a survival imperative. You're pulling all the conventional levers. But it's not enough. That's where Mach49 steps in. We offer a new trajectory to growth through Venture Building and Venture Investing.

Venture **Building**

Imagine an experienced co-founder, not just a consultant, transforming your ambitious ideas into thriving businesses within your company. That's us at Mach49. Together, we unlock your organization's growth potential.

Venture Building with us transcends traditional hackathons and incubators. We journey with you to uncover potential and foster innovation, leveraging your internal talent, customer insights, and unique corporate assets.

From Ideate to Incubate, Accelerate, and Scale, we guide you through every stage of venture creation. Our goal? Institutionalize growth and build a self-sustaining Growth Engine.

Venture **Investing**

Venture Investing with Mach49 goes beyond capital. We are your strategic growth partners, diving deep into your industry to identify ventures aligning with your mission and promising strong returns.

We build a comprehensive Invest / Partner / Buy strategy for the C-suite, empowering you to manage world-class venture capital funds, launch dynamic accelerator programs, and harness powerful venture acquisition capabilities.

We help you design your fund, seize your Mothership advantage, and become a top-tier VC. It's not about quick wins—it's about investments shaping your future.

A decade ago, we assembled a dream team of accomplished entrepreneurs, top-tier VCs, and seasoned C-Suite executives who've collectively created over \$80 billion in market cap value. We are not consultants, and we don't aim to be. Instead, we're putting this unparalleled talent to work for the world's largest companies. Our mantra? Execute, execute, execute.

Our global team is as diverse as the challenges we tackle. Over the years, we've built and invested in ventures across multiple sectors—from technology and healthcare to finance and manufacturing. Our team members have held leadership roles at companies that include 292 of the Fortune 500. Their collective experience shapes the disruptive strategies we create for our clients every single day.

Growth is existential.
Finding new growth is essential.
The key? **Venture Driven Growth.**
