

# The Abdus Salam International Center for Theoretical Physics

ICTP operates under a tripartite agreement between two United Nations Agencies—UNESCO and IAEA—and the Government of Italy.

The Centre enjoys a great deal of autonomy.

**Some base funding is provided by IAEA and UNESCO, specific programmatic funding by other sources, and  $\cong$  82% of the Centre's budget comes from Italy.**

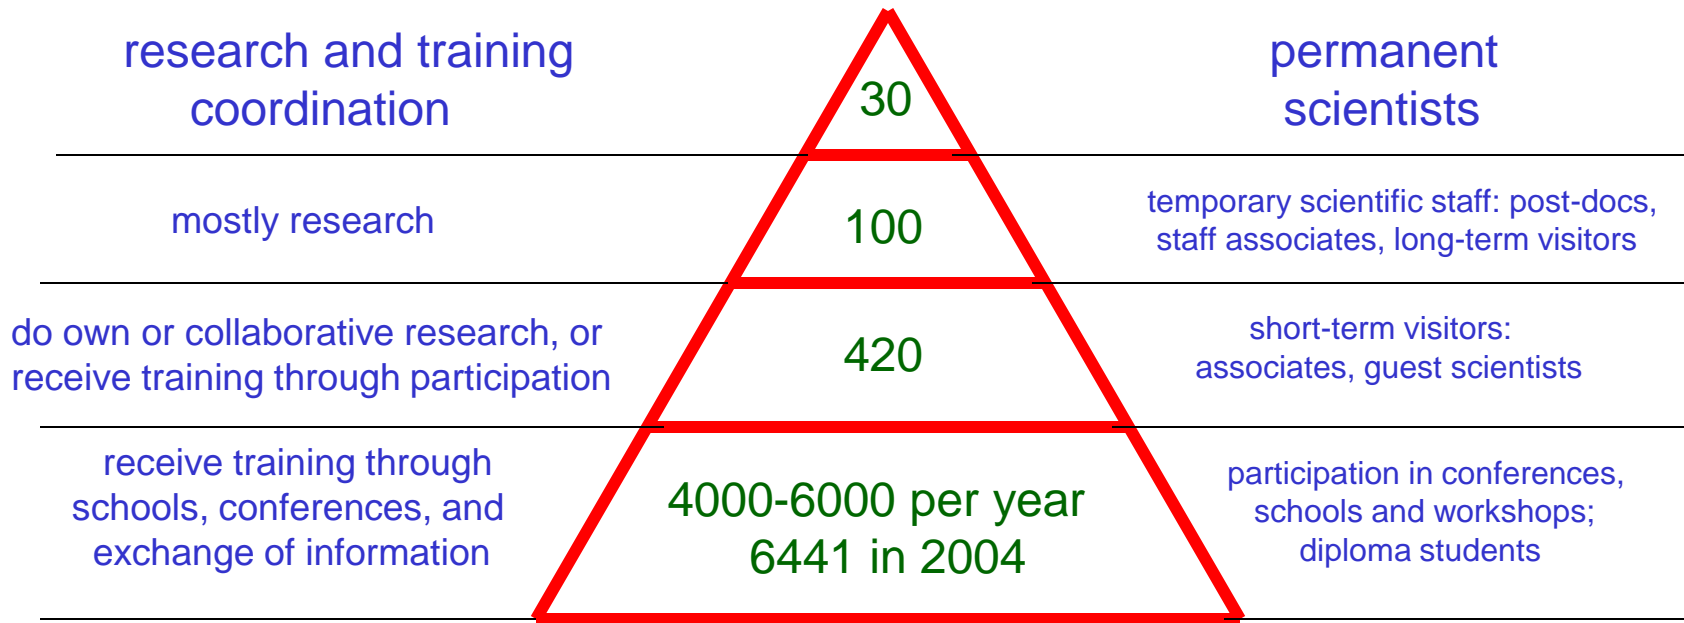

## Programs at ICTP\* [[www.ictp.it](http://www.ictp.it)]

- Diploma programs; Masters degree; Ph.D. degree (both local and SANDWICH); post-doctoral appointments
- **Associateships; TRIL fellowships**
- **Schools; Colleges; Workshops; Conferences**
- **Affiliate Centres**
- **Support for regional conferences, often with other donors**
- **Provide electronic access to scientific literature**
- **And so forth**

**\*conducted often in close collaboration with and support of Italian institutions in Trieste and elsewhere, and many other international institutions**

ICTP is an institution run by a few scientists for the benefit of many
