Seller Ships the Vehicle: Upon payment verification, the Seller is authorized to ship the vehicle and submit tracking information. eBay verifies that the Buyer receives the vehicle. The inspection period begins once the Vehicle is delivered.

Buyer receives the Vehicle: The buyer has 5 days to verify the item and the option to accept or reject. Return shipping will be at the Seller's expense.

The Seller is Paid by_eBay: The transaction is complete. If the buyer is not satisfied, he must notify our agency with the item issues, after the inspection period.
