*Special Issue Editors*

The papers published in this volume were presented at the 4<sup>th</sup> IndiaLICS International Conference and IndiaLICS International Training Workshop held in New Delhi in 2017, jointly by the Centre for Studies in Science Policy, Jawaharlal Nehru University, CSIR-National Institute of Science Technology and Development Studies (CSIR-NISTADS) and Research and Information System for Developing Countries (RIS). We are thankful to the Indian Council of Social Science Research (ICSSR), for providing conference publication grant, which has facilitated the publication of this issue.

The Guest Editors of this special issue are grateful to Prof. K. J. Joseph, President of Globelics, and Prof Lakhwinder Singh, Secretary IndiaLICS, for their encouragement and support at every stage that made this conference successful. Prof. Sachin Chaturvedi, Director General of RIS, as part of the organizer as well as in his individual capacity, helped to shape the programme and execute it.

We thank the paper presenters for their active engagement with the editorial process, the reviewers for their critical and incisive comments that helped to shape this special issue. We thank the Journal of Scientometric Research for bringing out this special issue.
