^a Includes adjustments for prior calendar years.

^b Between -\$0.5 and \$0.5 million.

^c Includes: (1) interest on adjustments in the allocation of administrative expenses between the trust funds and the General Fund account for the Supplemental Security Income program, (2) interest arising from the revised allocation of administrative expenses among the trust funds, and (3) interest on certain reimbursements to the trust funds.

^d Includes net reductions for the recovery of overpayments.

^e Reimbursements for costs incurred in performing certain legislatively mandated activities not directly related to administering the OASI and DI programs.

^f A positive balance represents a situation where the invested securities of the combined OASI and DI Trust Funds that were redeemed to make cash payments exceeded actual program cash payments. In this situation, this excess amount will be used to partially offset future redemption of additional invested securities.

Note: Components may not sum to totals because of rounding.
