

# Message from General Chair

Welcome to SNPD 2023-Summer.

The 25th International Summer Conference on Software Engineering, Artificial Intelligence, Networking and Parallel/Distributed Computing (SNPD 2023-Summer) is sponsored by the Institute of Electrical and Electronics Engineers (IEEE) and the International Association for Computer and Information Science (ACIS), and in-cooperation with North University of China, Taiyuan.

The purpose of SNPD is to bring together researchers and practitioners from academia, industry, and government to exchange their research ideas and results and to discuss the state of the art in the areas of the conference. In addition, the participants of the conference will have a chance to hear from invited speakers Prof. Yeong-Tae Song and Prof. Lizhen Fu.

I would like to thank the Conference Co-Chairs Qiuxiang Yang, North University of China, China, Simon Xu, Algoma University, Canada; the Program Chair Lizhen Fu, North University of China, China; and the members of the Program Committee for their hard work. And most importantly, we would like to thank all the authors for sharing their ideas and experiences through their outstanding papers contributed to the conference. We hope that SNPD 2023-Summer will be successful and enjoyable to all participants.

Wenai Song, North University of China, China
