Hi Rob -

We're confirmed for June 25 - I should have the start time for your demo in a couple weeks.

Just wanted to keep you updated.

All the best,

Officer Tim Bourquin #R2911

Tim,

Do you have any reference for the time of day I will present/demo, I am just trying to coordinate the flight in (contemplating the night before if the demo is earlier on).

Hi Rob,

Thanks for talking with me. We have the demo day scheduled for Tuesday, June 25.

We're looking to have a good group of agency representatives there.

More details to follow.

All the best,

E1470
