

PRAYER CALL MARCH 9, 2023 - ALABAMA

CLAY NASH: Well, good day! It's another 2:22 ET call. We're on the Victory From God's Promises Call for Alabama, today. It is going to be another great day. I was flying, yesterday, and heard that those that came on, knocked it out of the ballpark. And we expect Alabama to do the same, today. Remember the Josiah Company Gathering that's coming up in Conway, Arkansas, April the 20th -22nd. Go to <clay nash.org> , and register, there, for it. We are filling up, and you need to do that. All the information for the hotels is there, on the website. You can go there, and get that information; we have lots of rooms. We are looking forward to it; it's going to be an incredible gathering. And we are going to be praying, again, over all 50 states, and connecting all of the prayer warriors that have been on this call in the last five years, (the numbers are in the thousands). And we want to bring you together, so you can connect with others in your state. Remember that this call is being recorded and transcribed, as all calls are, and then put there, on the website at <claynash.org> . So, if you've got a friend that needs to listen to it, today, or you even want to pull down the transcription, (and send it out to the intercessors of Alabama), you can do so there. The recording will be up by late this afternoon, the transcription can take us a little bit longer to get it on there.

It's going to be a great call, today, We're very honored to have some key people on. Justice Tom Parker , the chief justice of the Alabama Supreme Court. We also have Apostle Kent Mattox on, and then another guest that he has invited. But I am going to step into Anne Tate right now. Anne, God has given you a prophetic Word for the state of Alabama, and we all desire to hear what God is saying in the now. So, take your liberty, and release that Word to us.

ANNE TATE: Thank you, Clay, and greetings to everybody on the call. We are all honored to be here with you. The Lord says, "The watchmen are continuing to rise in Alabama, going higher, and higher. They are being spun out like tops, into their assignments, by the hand of the Lord, both right and left, carrying His weight and purpose. Alabama will be a First State, where we see a company of watchmen standing shoulder-to-shoulder, and advancing on purpose with focus, and changing the atmosphere, and the landscape. Penetrating of eye, and acute hearing of ear, they move in that kind of humility and quietness in the spirit, that snatches strategies out of the darkness of hiddenness. They challenge the old order by their asymmetrical movements. Their fight is not with man, and great will be the provision and reward of their company. Don't ask them where they've been; ask them where they are going. (Clay): Have we lost you, Anne? (Anne): No, I'm here. I'm finished.

CLAY NASH: Alright. We come in agreement with that. We are going to move on, and Anne, I am going to ask you to introduce Kent Mattox, and whomever he has invited, if you will.

ANNE TATE: I'll be happy to... I want to introduce Kent Mattox from Alabama. He has an amazing ministry, there. They operate in incredible leaps of faith. They all have and are continuing to have lots of salvation. And they brought forth a new model in the state of Alabama, on how we are to move forward as a state. I watched the video when Chuck was there, and everything happened when all this came together. We could see that everything that the Lord had prophesied, had been brought to pass. I watched five or six times, because it was so amazing how the Lord was moving through every person that was engaged in the state of Alabama. And they had managed to encourage and strengthen all of those that were willing to move forward. And so, I want to present to you, Kent Mattox, and he will introduce his representative that has come on, to be here and pray, and be spoken into, today. And so, Kent, you can unmute. We appreciate you being on...

KENT MATTOX : Okay, and thank you, Anne. And thank you for that prophecy over Alabama. And hello, Clay Nash, thank you for having me on the call, today.

CLAY NASH: An honor to do so. We appreciate you taking time out of your responsibilities and also, inviting a representative to be on with us. So just go with your heart, or introduce your guest...however you want to...

KENT MATTOX: Well, I just wanted to say, from Alabama, and I think you said that Chief Justice Parker, from Alabama, is on the call, as well. We've been meditating and praying, actually, this morning, as the angel of Alabama has been identified as the Angel of Justice. And, we really feel like this is a very important year, as we have been moving in Alabama. Just to catch you up, first, and then I will tell you what I believe about the year, prophetically. Then I will turn it over to Mark Gidley, on of our state representatives, and then I am sure, of course, you will have Chief Justice Parker on. But, in Alabama, in 2019, the Lord spoke to us to say, "Can you present the state of Alabama to me, a Tabernacle?" And that meant, from the Lord, to have all 67 counties in Alabama, in one spot, a representative from each county, to present the state to the Lord. We did that, and then, in 2020, we did a prayer journey, where we visited all 67 counties, all in 2020, where we prayed at every city gate, with all of the city officials, and redug the soil of Alabama, because we felt that the Lord said that the soil, itself, was crying out for justice. Great miracles transpired in government, and in the church, and in the marketplace. It was really incredible. The Lord said that if we released the fire, He would send the wind. Our very first county, Calhoun County, when we released the fire, two minutes later, everyone's cell phone went off, (a couple hundred people in the meeting, simultaneously). It was a weather alert. So we released the fire, and a weather alert went off with a wind alert for all 67 counties of Alabama, on the cell phones. So we knew that we were onto something. So we completed that prayer journey, to align the state of Alabama, with its prophetic purpose and destiny, according to the prophecies that Alabama would go first as a prototype forerunner state.

This next run we've been on, starting after Tabernacles of this year, we've been on, we've established the Apostolic hub that Chuck (Pierce) prophesied about. We now have 12 districts where there are hubs forming, or are totally formed. And their spiritual jurisdiction is over the five or six counties in that particular district. So, each Rosh Kodesh, we are in a different district, worshipping, decreeing, and aligning the state with God's prophetic purposes.

We're seeing people being sent to Alabama, in this season. A young man just the came on the scene, the Siebergs, (Lisa Seiberg, and Jason, sent from Colorado), were sent to every high school to raise up an army, to lift up every high school student's name to the Lord, in the state of Alabama. So we're seeing a massive youth connection, as part of this movement, according to the prophecy of Bob Jones's youth prophecy of one billion youth. We're seeing some of that ignited and moving forward. Raising Arrows, a ministry in Alabama, now, is establishing feeding centers in each county, where children are being fed, a very practical form of justice.

We are seeing lots of movement that is going along with our prophetic prayers. And we're excited about that. I could go on and on about Alabama, but the part I want to get to is, we do believe that Alabama is moving. We do see the first fruits of a state aligned with Kingdom purposes. We believe that this year is very important. We started the year on a Sunday, the first day of the week. This year it will end on a Sunday. Why is that important? The first day of the week is the DAY OF LIGHT, where the Lord spoke light into darkness. This won't happen again until 2062. And so we are convinced that this is A YEAR LIGHT AND JUSTICE. And as it moves, we are decreeing and declaring that that will move, and find its way in the nation and nations. ISAIAH 51:4 " Give attention to Me, My people, and give ear to Me, My nation. My law will go out from Me, and I will set My JUSTICE, FOR A LIGHT to the peoples. " Psalm 37: 6 " He will bring forth Your Righteousness as the LIGHT and Your JUSTICE as the noon day. . And so, we are decreeing and declaring that the, the ANGEL OF JUSTICE, that we are now partnering with, is being released to work with the other 51 angels that Tim Sheets and Chuck (Pierce) saw. We are decreeing over you, and over the United States, that we are aligning, here, with the ANGEL OF JUSTICE, and releasing the LIGHT and JUSTICE of Alabama into the nation. And we are calling on the other 50 angels to align with the Angel of Justice, and to begin to move in unison, as uniting angels over the United States of America, to bring about the purposes and plans of God that He has forecast and prophetically declared would be the case. And so, we just wanted to release that from Alabama, today, and thank God for what He is doing here, and in every state in our nation. Mark Gidley is as part of our Apostolic Cohort in Alabama, and he should be on the call, now. He is one of the newly elected representatives in Alabama, and in the government realm, as well. So, Mark, are you on the call? Well, Clay, I 'm not sure if Mark is on the call or not. I apologize. I can't hear him if he is...

Clay Nash: No, I am able to see all the hosts that are on the call. I am not seeing a number that I am not familiar with. Hold, just a moment, let me check, here. Okay. Are you on Representative Mark? Well, I am going to move on. If he comes on and lets you know, Kent, just interrupt us and let us know if you hear from him. But, very honored to have Justice Tom

Parker on. I want to call on you, now, and just release those things that will be informative, and the declarations and decrees that are on your heart, sir.

ALABAMA'S SUPREME COURT CHIEF JUSTICE TOM PARKER: Clay, thank you for initiating this, and carrying it on through the years. I understand that it started because of the judicial system, with the battles over U.S. Supreme Court confirmation of new justices, in Congress. And, I want to stay on the theme of the judiciary. And let me give a little personal history. I was first elected in the year 2004, to the Alabama Supreme Court. And I did something very unique. I went to Washington, D.C., to be sworn in at the U.S. Supreme Court by Justice Clarence Thomas, because I wanted to come under that line of faithful interpretation of the U.S. Constitution, that he represents. But at that time, in the U.S. Supreme Court, I had my bible open to Isaiah 126, as he swore me in. And that says, I will restore your judges, as in days of old, your counselors, as in the beginning. Afterwards, you will be called The City of Righteousness, the Faithful City. And when you really step back and think about that verse, there is a cause and effect described in it. When the judges are restored, revival can flow, so that righteousness and faithfulness are the products. And so, I have been laboring, in m part of it, in Alabama. It's God who says HE will restore. But at least, as Chief Justice, I can help prepare the soil of the hearts, exposing the judges around the state to the things of God. Well, I want to ask, that we focus, going forward, on judge. as one of the components to revival in this nation. I will tell you, that this summer, I have John Kilpatrick lined up to speak to our judges. So, I am asking the Lord to put revival on their hearts, in light of what has transpired, at Asbury and beyond, that there will be a growing hunger in the judges of Alabama, and around the nation for more of God. And that they will be receptive to His moves toward restoration of the judges, so that they can play their forecast role in revival in this nation. Now, following up on what Kent Mattox said, yes, Alabama is referred to as The Justice State, through Dutch (Sheets) and Chuck (Pierce). And, our constitution begins with the preamble that makes JUSTICE the first priority of government: "We, the people of the state of Alabama, in order to establish JUSTICE... "

So right now, in the name of Jesus, we declare that justice shall be established in the state of Alabama, and that the justice gates that were seen by Negiel Bigpond, opening in Alabama, will open wide. And let justice roll down like a river, and righteousness like a stream. In this state, in its judiciary, for the good, not only of Alabama, but for the entire nation. We proclaim that, in Jesus' name.

CLAY NASH: Alright. Thank you, sir. Appreciate that. We come in agreement. And, I just was to speak a blessing out of my first nation blood. I have a great, great, great grandmother, full-blooded Cherokee, who was a preacher on the Trail of Tears. And she's buried in Alabama, there in Tuscumbia. And I just declare that blessing over the state of Alabama.

And last night, Kent, I find it interesting, I was not aware about the Justice Angel there, in Alabama, but about 2015, in a meeting in Arkansas, I had a vision of the angel that guards the

Justice Gate. I won't go into that, but beginning two years ago, this angel comes into my dreams. And last night this angel was in my dream about the state of Alabama, about the justice that will come out of the state of Alabama that will effect the nation. But , in the dream, the angel that guards the Justice Gate, said, (in the dream): "Tell Alabama that I am releasing the angels to stir the pools in Alabama, and healing, healing, healing is coming forth. " This angel said, "Tell the state of Alabama that I have called many states. I have called Alabama to become an Isaiah 8:18 state." And Isaiah 8:18 says, "As for you and your children, you are FOR SIGNS AND WONDERS. So, I say to you, Alabama, stir it up, stir it up, expect the pools of healing to be stirred, expect the signs and wonders to increase, expect the new movement of healing to come, in an unprecedented way, expect the Angel of Justice, there, to rally the angels of justice from across the United States, so that Alabama will be not just a voice, a very sure voice, but a very distinct SOUND in releasing justice across this nation.

And I see that Representative Mark Gidley is on with us, now. Kent, I am going to let you introduce him, and call on him so that we can hear from him.

KENT MATTOX: Thank you, Clay. And if I may give a quick response to that Word, we receive that on behalf of Alabama. We were sent by the Lord, about 18 months ago, to A.A. Allen's place in Arizona, to honor him. And, the Lord spoke to us, that the angels that you are speaking of, would return with us to Alabama, to stir the waters, just like you are prophesying. And, we acquired chairs that were from his tent meetings and that were witnesses to the tent meetings. And, so now, on this journey, we are depositing a chair, in each district, calling on these angels to stir the waters of healing, just like you prophesied. And the Lord showed us very clearly, in our last district meeting, that healing WAS God's justice. And he gave us the Scripture about the woman that was a daughter of Abraham, should she not be LOOSED from the spirit of infirmity. I just want to affirm that Word, and thank you for releasing it over our state. We receive it with great joy, in Jesus' name

CLAY: Yep. And can I add something to that. I have been there to his place in Arizona, many times. And in Arizona, quite a few years ago, now, I did a tent meeting under his last tent, with those chairs, (maybe not the ones that you have, but his chairs were there.) And, actually, it was the second time that we saw a person raised form the dead. And I know that there is an anointing in those chairs. I know that there was an anointing in the fabric of that tent, and under that tent when we saw this. So, call on your representative, and release him. Looking forward to hearing from him.

KENT MATTOX: Thank you, Clay. Pastor Mark Gidley, he's one of our representatives for legislation and part of our Apostolic Cohort. Mark....

ALABAMA STATE REPRESENTATIVE MARK GIDLEY: Thank you ,Pastor Kent. And let me apologize. I called in on the wrong number. I was hearing yal, but you couldn't hear me. I was hollering," I'm here. I'm here". But thanks for your quick take, there; Kent got me the right information. So, I apologize for that. But, Clay, it's a great joy to be on with you, today. Thank

you, and Apostle Kent for inviting me to come on here, for just a few moments, today. And, it is absolutely amazing to watch what God is doing, and fulfilling the prophetic word that God is releasing and fulfilling over the state of Alabama. It's such a joy to walk with Pastor Kent and the Alabama Cohort, and seeing the fulfillment of what God has spoken over this state, now, for so many years. Alabama IS a Justice State. We know that. We know that so many things have been birthed out of Alabama. And, now, of course I'm a pastor, now, God has allowed me to be privileged to serve in our state legislature. And it was an absolute God thing that He opened this door, and allowed me to be here. God's already given me great opportunities on a number of occasions to release His Word inside the statehouse, inside the legislature. And I a tremendous thing. But, let me add, and as I'm listening to these prophetic words, and of course, walking with Apostle Kent with what God is doing over this state, and releasing that, it's such a joy, a privilege to be a part of that, because it is a fulfillment of what God has spoken over Alabama. But I want to share just quickly, and I will not read all of these, (they are much too lengthy to read, but I go back and refer back to seven decrees that were given to Alabama, several years ago, back in 2010. There are seven of them, and, like I said, I won't read them all, but I want to just read the first line of the first decree. (These are based on prophetic words that have been given over the state by Chuck Pierce, Dutch Sheets, others, that have come into this state over the last several years.)

But the first one says: " Let there be an full-blown spiritual awakening, sweeping through this state, that ignites the whole nation. And let the seven-fold Spirit of God be released in Alabama, based on Isaiah 11:2. 'The Spirit of the Lord, the Spirit of Wisdom, Understanding, of Counsel, and Might, and of the Knowledge of the fear of the Lord.' "

Those things were put together back in 2010. And ,now, what God has called Apostle Kent to do, to lead this state, to go into every county, to pray into every county, to, now, hold the Rosh Kadesh meetings, and even build cohorts in each district, that are ,now, taking on the transformation. We are seeing the fulfillment of what God's doing in the state of Alabama, that will not stay within the borders of Alabama, but will literally light fires across this nation. So, it's just an exciting time to serve. It's an exciting time that God's given me the privilege to actually be IN a governmental seat, in ONE governmental seat in our state. And to just see the fulfillment of what God is doing, and hear the prophetic words that have been given over this state, and watch them come to fruition throughout this state of Alabama. It's an amazing and tremendous time.

CLAY NASH: Okay! Thank you! We appreciate you being on, we appreciate you catching us up, there. We come in agreement with those former words. And we declare that the PRESENT of TODAY that are being released , are reconstituting, and re-energizing those prior Words over the state of Alabama.

And, I'm going to hold it right now, and call on Jacquie Tyre, there, in Georgia. But I've got another prophetic Word that God has dropped into my spirit, for the state of Alabama. But Jacquie, what's in your heart?

JACQUIE TYRE: Well, just as we were preparing for this call, I began just looking out over the state of Alabama, in the spirit. When I was a child, I lived there for about three years. So, it has a very special place in my heart. So, I was just looking out, in the spirit, and I saw FIRES ERUPTING, all across the state. At first, it was like little flickers. Then, suddenly, the fires FLARED, becoming incredibly BRIGHT AND ROARING. And I heard the Lord say, to not despise the days of small beginnings, “for what is coming in the days ahead, as the winds of My Spirit blow, from NW to SE, and NE to SW, and W to E, the flickering fires shall suddenly ERUPT into BONFIRES of MY GLORY, upon the altars of worship and intercession that are being TENDED, from place-to-place, and to place, across the state. Then, out of these altar fires, I began to see FIRE LINES go out FROM THE ALTARS, connecting one place to another, creating a POWER GRID across the state. And I heard the Lord say, “This POWER GRID is a GRID of COMMUNICATON, AND distribution of RESOURCES. RESOURCES OF ANOINTING, AUTHORITY, PROVISION, PROTECTION, AND POWER, that are needed to strengthen the fortification of the ALTAR THAT is rising across the state. As this altar of the Lord builds, and strengthens across the state, things that have held Alabama CAPTIVE, and PRESSED DOWN IN THE PAST, shall GIVE WAY to times and seasons of BREAKTHROUGH, RECOVERY, and RESTORATION. Expect to see REVERSALS of TRENDS and EXPECTATIONS, in the areas of FINANCES, ECONOMY, BUSINESS, EDUCATION, and INNOVATION that shall “put Alabama on the map”, in ways BEYOND what she has seen before. So, TEND TO THE ALTARS, and watch the WEIGHT OF MY GLORY overtake and DISRUPT what the enemy HAS DONE. The GREATER the WEIGHT OF MY GLORY, the greater the VICTORY SHALL BE HAD, all across the state of Alabama.

So, Father, in the mighty name of Jesus, we say, the fires that are flickering, let the winds come, and blow those fires into ROARING BONFIRES OF GLORY all across the state. Father, for all the districts that Apostle Kent (Mattox) has mentioned, let all of those districts suddenly be a full-blown fire of GLORY AND HONOR AND POWER. And Father, let the LINES OF CONNECTING from district, to district, to district, to district, all across the state, be so connected, that whatever is needed in ONE, that it is RELEASED AND LOOSED, that there would be an UNLOCKING of the PROVISION, the power, the ECONOMICS, the BUSINESS IDEAS, the EDUCATION, the INNOVATION, EVERYTHING, Father, that YOU have ordained, to come TO Alabama, and THROUGH Alabama, to put them on the map, to let them BE a SHOUTING SIGN AND WONDER of YOUR grace and glory. Let it BE, in the MIGHTY name of Jesus. Amen. (Sen. Mark Gidley: AMEN!)

CLAY NASH: Thank you, Jacquie, for that! We appreciate it. We come in agreement with that. We are going to Ken Malone, right now, there in Florida. Ken, what is in your heart?

KEN MALONE: Well, having come from Alabama, there is a lot in my heart, today for this state. I’ve had two dreams, lately, one was in Sept 14, 2021. It was the day that Pastor Yong Hi Cho

passed away. And in this dream, I was back in Providence, Alabama, where Sheryl and I built a home, years ago. I was in the backyard of our property, there. We had bought it back, and I was in the backyard of the property. Cindy Jacobs was there, prophesying, into the emerging generation of harvest of souls in Alabama. And I was on the ground, travailing for the souls that she was prophesying into. Many times, she was calling names out. But I knew that God was sharing with me that travail needs to begin to take place for Alabama, because there's a harvest of souls that is going to come out of there. Thousands, and thousands, and thousands, and thousands of souls are going to be harvested for the Kingdom of God, in the state of Alabama.

The second dream I had was a few months ago, Dec. 12, 2022. And in this dream, I saw: somebody had sent me a newspaper. The newspaper was called The Democrat Recorder, which used to be in Linden, Alabama, close to where Sheryl and I were from. And in this newspaper, was an article on Jefferson County, Alabama, and the coal-mining towns of that county. And this is the coal-mining towns of Bayview, Warrior, Hueytown, places like that, and it began to prophesy, (this was not an article of past news), it was an article. of current news, and prophesying into future news. And the article spoke of many souls coming to Jesus, because the Holy Spirit was bringing conviction for their need for Yeshua. The manifestation of the Holy Spirit is sitting on Jefferson County. Many healings and miracles are reported; an oppressive atmosphere that once produced, is now gone. Many are being filled with the Holy Spirit and speaking in tongues. One portion of the article talked about how great joy had come to the towns of that region of Alabama.

And I just want to pray into the harvest. The harvest is something that is very strong in my heart for Alabama. Father, I liftup before you, a harvest of souls in Alabama. Men and women, and boys and girls, calling out to You, calling and coming into Your Kingdom. And Father, I decree today, from the North, the South, the East, and the West, that there would be a rapid ACCELERATION of GREAT AWAKENING, God, coming to Alabama. And I say to Alabama, "AWAKEN"! And I say to Alabama, " AWAKEN, AWAKEN in the name of Yeshua!" I say to every inhabitant, not just the church, but to every inhabitant in Alabama, that the Lord is coming to you! Holy Spirit conviction is coming to you! And your opportunity to KISS THE SON, is coming to you, Alabama. An Father, I thank you, God, for POURING OUT YOUR SPIRIT, GOD, from Mobile, all the way up to Huntsville, Father. From Phoenix City all the way to Demopolis! YOU WILL POUR OUT Your Spirit, God, in all corners of Alabama. And Fathe, I thank You, Lord, for doing that, in Yeshua's name. Amen.

CLAY NASH: Alright, Ken Malone. Strong declarations and decrees, and we come into agreement with them. David Hurtle, there in Mississippi, sister state to Alabama. What's in your heart?

DAVID HURDLE: Yes, Sir, just agreeing with everything that has been prayed and declared. Let's see if I can find some thoughts I had, here, while praying was going on.

I just declare, in Jesus; name, out of Genesis 26:18, over Alabama, that, as Isaac, again, dug the wells of water, which had been dug in the days of Abraham, the ekklesia, today, even as we declare, and pray over this state, we declare and redig the well dug by the fathers in the state of Alabama, by the pioneers and forerunners of the faith, that the lies of the enemy have stopped up. We call on them, again, by faith names, and we dig the wells that declare and demonstrate that the Kingdom is near at hand, and within reach. Wells of healing the sick, and casting out demons, raising the dead, and cleansing the lepers. Wells of repentance and refreshing and reviving the saints. Wells that are for the drawing and the saving of the multitudes, to the saving knowledge of Jesus Christ. We redig the wells that ultimately reform cities, and states, and federal departments of government and governmental agencies. And we redig the wells that will transform the smallest and the lowliest, to the largest and most powerful forms of government. And we thank You, Lord, God, that the Potter has power over the clay. And according to Romans 9:17, for this very purpose, God raises you up, Alabama, that He may show His power in you, that His name may be declared, in all the earth, through you. In Jesus' name, we pray and declare. Amen!

CLAY NASH: Alright, David, thank you for that. We are in agreement. Pat, there in Illinois, what's in your heart?

PAT MCMANUS: Thank you, Sir, for the opportunity to be with everyone, and I come into agreement with all that's been declared and prophetically decreed upon the land. And I kept hearing this Word, this morning, of vision for Alabama. And I looked up the Scripture, Joel 2:28: "And it shall come to pas after this that I will pour out My Spirit upon all flesh, and your sons and your daughters shall prophesy, your old men shall dream dreams, and your young men shall see visions. " And then I wrote this down, "Resetting a vision, increasing the strategies that are being revealed to the ekklesia of the land. And I'm unlocking a revelation for the ekklesia to advance, and that there is a fresh outpouring of Holy Spirit, that activates the EKKLESIA, to MANAGE AND TO MOVE FORWARD, into the purpose of what they were designed and intended to be."

So Father, we thank you, that You are unlocking a VISION for a greater level of increase, strategies, and opportunities, to be able to ADVANCE in the purpose of Your Words. We thank You, Father, that there is a CLEAR SOUND that is being ESTABLISHED within the land, that will IGNITE a FIRE, that will burn, as it's been said, north, east, south, and west, and cause a REVIVING EXPRESSION of Your Glory, that will radiate across the nation. So Father, we thank You that You are releasing a CLEAR VISION for a new ORDER of what You are establishing within that state, and from that state. Lord, as the Alabama Crimson Tide, the football team, Lord, let a wave, a TIDAL WAVE OF GLORY begin to move upon that land and cause a TRUE EXPRESSION OF the POWER and the GLORY OF ALL THAT YOU ARE, to be seen. Father, let there be a CLEAR OUTPOURING, not of the older generation, not of the middle generation, Father, ALL GENERATIONS will ignite into a CLEAR SOUND of REVOLUTION that RELEASES A REVELATION that truly brings TRANSFORMATION. So, we thank you, Father, for what You are doing, as You

are UNLOCKING A STRATEGY, You are unlocking a CLEAR SOUND OF MOVEMENT for the advancement of Your Kingdom order in the state of Alabama. And we thank you for it,, Father. In Jesus' name. Amen, and amen!

CLAY NASH: Alright, Pat, we come in agreement with that. I've asked a strong man of God out in Cullman to close out in prayer. And, Garret, I will call on you, in just a minute, but I want to release this prophetic Word to Alabama that God has given me.

But I hear the Lord saying, Alabama, sweet home Alabama! For truly in recent years, you have stepped up from being a question, and you have become an exclamation point to the nation. For it is in the shift that has taken place, that has caused you to become this exclamation point. It was through your words with actions of obedience. It was through your purpose of BUSYNESS, that has accomplished much. It was also found in Alabama, that your calendars have now become filled with Sabbath times of rest. And truly, Alabama set an example as a prototype to this nation, says the Lord. That you have labored to enter into My rest, and, therefore, you labor FROM My rest. And even in this time, you have become a state that is filled with a covenant relationship that brings forth much nourishment, not only to the people of Alabama, but also to the nation. For in this, says the Lord, you have certainly self-examined yourselves. You've taken inventory, and you've begun to focus on your strengths, but you've become very aware of your weaknesses. The Lord says, " You, truly, are filled with a natural giftedness. But, now, you have the spiritual POWER. And the marrying of these two, centered around love, will cause, not just words to come out of Alabama, but a SOUND that will go forth to the nations of the earth. For truly, your theology is not just a letter of the law. It has now become relationship-based, and the theology will prevail in days to come. So, get ready, ALABAMA. I AM ABOUT TO EXPLODE MY GLORY OVER YOU. And from Alabama, it will spread across the nation, says the Lord.

Alright, Garret Taylor, it is an honor to have you on. You have enriched my life. Great to have been with you. One of the most incredible words of knowledge that I have ever had, was in your place, about a year ago. But, I want you to take what is in your heart and close us out in prayer, today.

GARRET TAYLOR: Amen, amen, thank you, Apostle Clay. Thank you for everyone. It's an honor to be here, and to be able to pray with the representatives, be able to pray with mighty men and women of God. As I begin, and Clay spoke to me about being on here and closing this out, I just started to press in for what I could say over my state. What could I say over our city, our nation? And I am hearing a few Scriptures, in prayer, and I am reminded of a couple of times when I was ministering through Mississippi and Alabama, and I had a vision of those two states; kind of, there was a spark between both of them, about like flint. And, the Lord spoke to me and He said, "There's a flint that is going to cause a spark, and it's going to become a flicker, and then a flame, and then consume these two states. So, I was talking with a friend of mine, and I said, could you kind of check into that, and look at that? And, there was a creek, called Flint Creek, And, Mississippi and Alabama both have Flint Creeks. But, I'm reminded of this

vision that I had, just a few days ago, as I was pressing into this. And, what I am reminded of, is that the fire of God starts as a spark, becomes a flame, and then, a consuming fire. And, I feel that over Mississippi and Alabama, because I have heard for both of those places, that, I know it's for our nation. And, the Word I hear is, "First shall be the last, and last shall be the first."

And, I've come to the Scripture in Isaiah 40:3, says, "The voice of him that cries in the wilderness, 'prepare ye the way of the Lord' Make straight in the desert a highway for our God. Every valley shall be exalted, and every mountain and hill shall be made low. And the crooked shall be made straight, and the rough places plain. And the GLORY OF THE Lord shall be revealed, and all flesh shall see it, together, for the mouth of the Lord has spoken it.

Also, in Psalms 128: "Blessed is everyone that fears the Lord, and that walketh in His ways, for thou shalt eat the labor of thy hand, happy shall they be, and it shall be well with them."

The Lord began to speak, and I declare that the fear of the Lord is beginning to go to our Capitol, in Montgomery. And as the fear of the Lord begins to go, I see it not only in the Capitol, but also, in Washington, D.C. I believe that the Lord is about to show Himself mightily in a PLACE of justice, for the sake of our nation. And the fear of the Lord will begin to fall on the unsaved, and saved, alike, and there will be a new standard. There will be a flip, as you say, the last shall be first, and the first shall be last. And this is what I declare over our state, and over our Capitol. And, through that, we're going to see a Psalms 133, I do believe, "Behold how good and how pleasant it is for our brethren to dwell together in unity. It is like the precious ointment upon the head, that ran down upon the beard, even Aaron's beard, that went down upon the skirts of his garment. "

So, Father, we thank You for this prayer call. We thank You for the decrees and the declarations that have been made, through these prayer calls. Lord, we thank You for the moving of Your Spirit, Lord. We declare, cry aloud, and spare not. Lord, raise up Your messengers. Raise up those that go first. Raise up those out of Alabama that speak Your Word with Truth, with fire in their eyes, a hammer in their hand, as ministers, as flames of fire. And let Your Word go forth. Lord, we thank You that the valleys will be brought high, and the mountains will be brought low. For the sake of the glory of God. And Lord, we just BLESS Your Name. Lord, we thank You, Lord. We bless our representatives, our government; and we declare our government will SEE revival. We declare our capitols will SEE revival. We declare that the FIRST shall be the LAST, Lord. And that those that are HIDDEN, will come to LIGHT. Father, Lord, we make a decree and an agreement with everything that's been decreed, spoken, and prayed over the state of Alabama. And, Father, we say, "Yes, Lord! Let Your Spirit be poured out on all flesh. Let Your daughters and your sons begin to prophesy. Let the Spirit of God move, let there be such a MOVEMENT of Your Holy Spirit, like we've seen in Asbury, Father, just the beginning is a flickering of what we believe is the THIRD GREAT AWAKENING. Lord, we thank You that it starts at the table, Lord, that it goes to the church, and from the church house to the White House, Father God. Father, we know that Your answer is REVIVAL.. We know that Your hope for our nation, our state, our cities, is TRUE, AUTHENTIC, GOD-SENT

REVIVAL. And so, Father, we DECLARE, Lord, YOUR TRUTH will be made known. Lord, Your VOICE, WILL BE HEARD LOUD, and Lord, Your mountain will be ASCENDED, Father God, in Alabama. We thank You, Lord, for raising up the pioneers, raising up those that go before us, and raising up those that are taking hold of the torch I this day, and RUNNING with what You're saying, and running with what You are doing. Lord, we thank You for MIRACLES, SIGNS AND WONDERS, we thank You for salvations. We thank You for YOUR precious BLOOD, that is over our state, Father God. And Lord, as Apostle Clay has prophesied, and so many have given declarations and prayed, Father God. Father, we say, "YES!" We say yes to these decrees, we say yes, to these prayers. We add our YES to it, Father God. Father, bring about Your Way, YOUR WAY. The way that may have seemed lost; the way that may have seemed discouraged, and even when we were frustrated, and times when we couldn't even SEE what You were doing. But, Lord, NOW we can SEE. NOW, there is HOPE. NOW, there is FAITH. NOW there's REVIVAL.

And so, Father, we BLESS everyone on this CALL. We BLESS Your Holy Name. And Father, we say, let it be. Let it BE. Let there be AWAKENING; let there be REVIVAL. Thank YOU, for adding YOUR YES to our prayers and our decrees. In the mighty name of JESUS, our LORD, our KING. Amen! Amen!
