

Reprints and Permissions Services

Personalized Service. Global Outreach.

Reprints and Permissions Services from CCC make it easy to order high-quality, copyright-cleared commercial medical and scientific article reprints and ePrints and to secure copyright permissions from thousands of STM (scientific, technical, medical) publishers and societies.

Our experienced reprints and licensing professionals navigate complex production and fulfillment processes for you, delivering high-quality reprints and ePrints of medical and scientific journal content quickly, accurately, and easily to locations around the world.

Benefits

Copyright-Compliant Reprints from Thousands of Publishers and Societies from Around the World

- Get high-quality, copyright-cleared reprints and ePrints of medical and scientific journal content into the hands of healthcare providers and others quickly from thousands of leading STM publishers and societies, including Elsevier, Massachusetts Medical Society, Oxford University Press, Springer Nature, Wiley, and Wolters Kluwer Health.
- Capture the detailed data your organization needs for ePrints and Sunshine Act reporting.
- Distribute reprints worldwide while saving time and money — CCC's network of global production, distribution, and storage services can deliver bulk quantities of reprints when and where you need them while enabling faster turnaround times and lower shipping costs.

Why Reprints and Permissions Services from CCC?

- The CCC Reprints Services team has over 20 years' experience serving the content needs of the world's leading life sciences companies and healthcare communications and marketing agencies.
- 1M+ article reprints and ePrints delivered annually
- 585,000+ permissions granted annually by CCC

Copyright Permissions Clearance

- Save time and expense clearing copyright permissions for external display uses such as meetings and presentations, as well as republication uses for figures, charts, images, and graphs.
- CCC works directly with publishers to manage approvals and fulfill special requests in compliance with the publisher's specific rules.

Personalized Service

- Work with one point-of-contact and streamline the reprints and ePrints fulfillment process – The CCC team of experienced reprints professionals manages the end-to-end workflow, including pricing, printing, and fulfillment of reprints, as well as securing copyright permissions.
- Eliminate the need to manage outreach to individual publishers for reprints, ePrints, and copyright permissions.
- Receive same-day quotes including pricing, turnaround time, document customization charges such as color, shrink wrapping, and expedited services.
- Gain insights into your reprints spending with order tracking and usage reporting.
- Take advantage of group purchasing to consolidate orders across your business for even greater savings.

About CCC

A pioneer in voluntary collective licensing, CCC advances copyright, accelerates knowledge, and powers innovation. With expertise in copyright, data quality, data analytics, and FAIR data implementations, CCC and its subsidiary RightsDirect collaborate with stakeholders on innovative solutions to harness the power of data and AI.
