¹ The sample includes respondents on the American Trends Panel who previously indicated they have at least one living parent. Respondents were screened again for this survey, and those who indicated they don't have a living parent and/or said they are currently enrolled in high school were excluded from the sample. Additionally, respondents were asked to indicate initials for their parent(s) as part of parent selection for a module of the survey. Only those who included initials and indicated they are in contact with at least one parent were included in the full survey.
