

# Our strength is in the company we keep.

SAS Strategic Sourcing and Procurement strives to develop and maintain effective relationships with suppliers that create value through each contract based on economy, quality, environmental preservation and social values.

## Procurement Opportunities

Software, Hardware and Telecom

HR Benefits and Services, Marketing Services and Professional Services

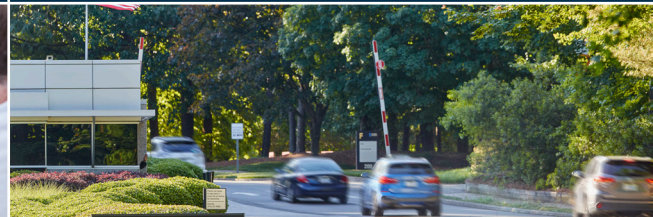

FF&E , Office and Promotional Supplies

Construction and Property Development

Facility, Food and Fulfillment Services

Safety, Security and Travel Services

Suppliers interested in doing business with SAS should send their company information to [SASprocurement@sas.com](mailto:SASprocurement@sas.com).

# SAS Supplier Diversity

We know every person and business has the potential for unique contributions. Our customers represent a wide range of industries, people and locations – and we want this same diversity reflected in our supplier community.

Minority Business Enterprises

Women Business Enterprises

Veteran and Service-Disabled Veteran Business Enterprises

LGBTQ+ Business Enterprises

Disabled-Owned Business Enterprises

We encourage diverse suppliers interested in more information about potential working opportunities with SAS to email [supplierdiversity@sas.com](mailto:supplierdiversity@sas.com).
