DRAMATIC, CONTEMPORARY TITLING  
FAMILY THAT SCALES BEYOND THE WORLD OF  
LOOKS BY TAPPING INTO ARCHETYPES.

---

DESIGNED BY

**Ermin Međedović**

---

YEAR

2016

Tall, stately, and refined, with a showy contrast between thick and thin, a certain kind of titling Didone has become synonymous with fashion.

Ermin Mededović's latest type system amplifies the most theatrical aspects of this genre while bringing an uncommon flexibility of style and variation to any type palette – particularly those required for editorial design.

Fino is a Rational (or Modern) display serif with sharp details. Its fairly narrow proportions produce a regular beat of bold stems at frequent intervals. One can add an unexpected twist to this plot line by introducing the alternate 'C, D, G, O, and Q' (found in the uppercase), replacing oval shapes with big, full, show-stopping round ones.

Other alternate forms, along with a grand ensemble cast of ligatures, lets the director continually flip the script.

This stage is set in three acts: Fino, Fino Sans, and Fino Stencil. Each of these offer six weights and italics, and each actor is comfortable speaking any Latin-based language, from standard Hollywood English to the many accents of Eastern Europe.

Finally, every style comes in two optical sizes, with Title having the Ultrathinst hairlines for the biggest parts. This lets you put Fino to work in a variety of productions, from short texts (24pt-48pt settings) to epic titles.

All these talents let Fino perform a range of roles far broader than your typical Bodoni or Didot.
