2004 Election for Board of Directors

by Ellie Young

Executive Director

ellie@usenix.org

The biennial election for officers and directors of the Association will be held in the spring of 2004. A report from the Nominating Committee will be emailed to USENIX members and posted to the USENIX Web site in mid-December 2003 and will be published in the February 2004 issue of *;login:*.

Nominations from the membership are open until January 9, 2004. To nominate an individual, send a written statement of nomination signed by at least five (5) members in good standing (or five separate nominations), to the Executive Director at the Association office, to be received by noon PST, January 9, 2004. Please include a Candidate's Statement and photograph to be included in the ballots.

Ballots will be sent to all paid-up members on or about February 6. Ballots must be received in the USENIX office by March 19, 2004. The results of the election will be announced on the

USENIX Web site by April 2 and will be published in the June issue of *;login:*.

The Board consists of eight directors, four of whom are "at large." The others are the president, vice president, secretary, and treasurer. The balloting is preferential: those candidates with the largest numbers of votes are elected. Ties in elections for directors shall result in run-off elections, the results of which shall be determined by a majority of the votes cast. Newly elected directors will take office at the conclusion of the first regularly scheduled meeting following the election, or on July 1, 2004, whichever comes earlier.
