Frequently asked questions

I received a 1099-R, 1099-MISC, W2 and/or 1042-S and the TIN/SSN is masked—why?

Due to data privacy guidelines, the full TIN/SSN has been partially masked on the 1099-R, 1099-MISC, W2 and/or 1042-S tax forms.

I received multiple tax forms—why?

Depending on your situation you may receive more than one tax form:

- You may be receiving a payment as a beneficiary and as a retiree in 2023.
- You may have received a lump-sum rollover distribution and annuity payments from a qualified plan in 2023.
- You may have received a lump-sum rollover distribution and a lump-sum cash payment distribution from a qualified plan in 2023.
- You may have received payments from a qualified plan and a non-qualified\imputed income payment in 2023.
- You may have received a payment as an active employee of Verizon and also as a retiree in 2023.
- You may have had an address change to a different state in 2023.
- You may have been receiving a pension due to disability and turned age 65 in 2023.

What is the code of distribution?

Codes of distribution are assigned based on your age and the type of payment you’re receiving. For additional information regarding codes of distribution, please visit the Internal Revenue Service (IRS) website at [IRS.gov/forms-instructions](https://www.irs.gov/forms-instructions).

What if I didn’t receive my 2023 W-2 from Verizon payroll?

If you did not receive your W-2 statement for a period of active service with Verizon in 2023, please call Verizon Employee Payroll Support at 800.932.7947.

My state and/or federal withholding is incorrect—how can I get this amount corrected?

It is important to review your current state and federal tax withholdings at the beginning of 2024 to ensure you are meeting your tax obligation. We cannot change the reporting of state and/or federal withholding once the 2023 tax year has closed. If there is an error in the withholding amount on your tax form, please speak with a financial advisor or your tax preparer for information on how to recover amounts withheld that exceed your tax obligation.

Why do I have imputed income in box 12 of my 2023 W-2 form?

If you had retiree life insurance coverage greater than \$50,000 during 2023, a portion of the amount over \$50,000 is reported to the government as taxable income.

If our records indicate you have a domestic partner who does not qualify as a tax dependent, the value of the Verizon medical and/or dental coverage provided to your domestic partner (and to children of your domestic partner) during 2023 is reported as taxable income.

How can I change my payment to be directly deposited into my bank account?

Call the Verizon Benefits Center at 855.4vz.bens (855.489.2367) to make direct deposit changes.

Why did I receive a tax form for a payment I haven't cashed in 2023?

Regardless of whether you have cashed the check, under new IRS requirements, your distribution in 2023 is considered income and must be reported to the IRS as such.
